- No practice work will be given 1 day before and during class test.
- Gujarati/Sanskrit subject homework should be given according to the timetable only once out of three periods in a week (time limit for Gujarati/Sanskrit homework should not exceed 15 minutes)
- Teachers have to strictly adhere to this schedule.
- The homework time (including all subjects) must not exceed than 80 to 100 minutes.
- Only written work should not be given in class(C/W and H/W) .A good combination of oral and written work should be included.
- Teachers need to write homework on the right hand side of the white board. The respective teacher needs to ensure that the student must note down the given homework in almanac by signing the same.
- **Please see that the objective type textbook exercise like fill ups/ MCQs/ true-false/Match are to be done only in textbook and to be checked.**
