4.	Thursday	Mathematics, Hindi, S. Science
5.	Friday ( Maths and English worksheet to be alternatively if 2 <sup>nd</sup> /4 <sup>th</sup> Saturday is a holiday)	Mathematics, English, Hindi
6.	Saturday	Mathematics, Science

- No practice work will be given 1 day before and during class test.
- Gujarati subject homework should be given according to the timetable only once in a week if required (homework should not exceed 15 minutes)
- Teachers have to strictly adhere to this schedule.
- The homework time (including all subjects) must not exceed than 60 to 80 minutes.
- Only written work should not be given in class(C/W and H/W) .A good combination of oral and written work should be included.
- Teachers need to write homework on the right hand side of the white board. The respective teacher needs to ensure that the student must note down the given homework in almanac by signing the same.
- **Please see that the objective type textbook exercise like fill ups/ MCQs/ true-false/Match are to be done only in textbook and to be checked.**
