## LANGUAGE SKILL

### Writing letters from A to I

In this week our Nursery kids enjoyed writing alphabets from 'A' to 'I'. Under this concept the teachers discussed and revised the phonics sounds of the letters 'A' to 'I' and told them to write them down. All the children enjoyed writing letters.

## NUMBER READINESS

### Introduction of Number 4

This week, in mathematics class, our little toddlers were introduced to number “4” with the help of some objects, PPT and Rhymes. We asked them to randomly collect four objects from their household to connect them with the concept. They enjoyed doing the activity and learnt the concept well.

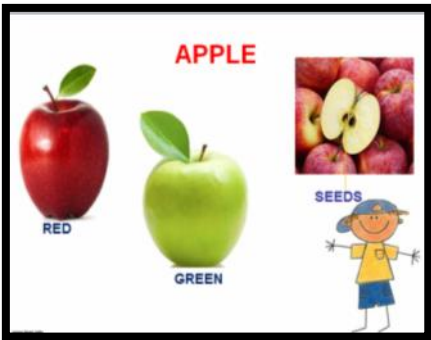

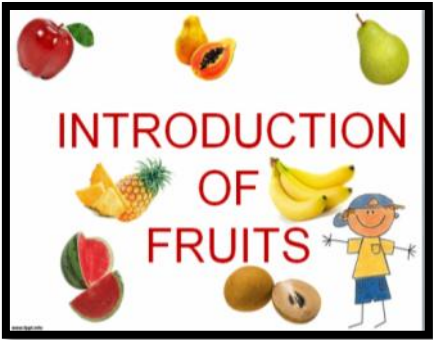

# Bubbly Nursery

## CONCEPT

### Introduction of Fruits

This week, we introduced some fruits to our toddlers. We briefed them about how fruits are grown. We also told them how a fruit looks like from inside and outside. We also showed them the seeds of fruits. For identification of different fruits, we did an activity to make different fruit shapes with clay. The concept was made easy with the help of a PPT and some videos. The children enjoyed the session and co-operated with their parents and teachers.

### Toddler's Dictionary

Cauliflower	Peas	French beans
Cabbage	Fenugreek	Chilly
Spinach	Coriander	Pod

## CONCEPT

### Fish as Pets

In this week we taught to our students about different kinds of fishes. With the help of a video and a ppt we explained about the different kind of fishes which are eaten by the people and also told the children about the fishes which can be kept as a pet in the house. We showed them through the pictures and the videos related to the concept and also explained the parts of the fish. Our tiny tots enjoyed the ppt and also told about the fishes they have seen.

## NUMBER READINESS

### What comes before?

This week in number readiness, the teacher introduced an activity called “What comes before?”. With the help of the I-kan Box and slate, the teacher explained the concept of ‘before numbers’. After understanding the concept properly, our tiny tots also solved a worksheet related to it and remained actively engaged in the class.

## LANGUAGE SKILL

### Rhyming Words

Reading is the most important part of the language skill. To enhance the students' language skill we did an activity in their class work book. They did the rhyme time page, in which they had few pictures and few words. They had to identify the picture and name it and find out the rhyming words of the picture word. All the students completed the activity in the class only. The teacher provided the needful guidance.

## CONCEPT

### North America

We are on a virtual trip to around the world and we just finished our tour of Asian countries the last week. Now we have been visiting North America. First, we visited Mexico. We learnt about their culture, their physical features and landmarks. After Mexico we went to the USA. There, we celebrated two most important festivals Halloween and Easter. We made jack o lanterns and easter eggs. Videos related to all the concepts were shown to the students. We also used a PowerPoint presentation to make it more interesting and informative. It was nice to explore a new continent and its cultures.

Easter eggs are made and painted with bright colours to show the sunlight of spring.

Easter game - Easter Egg Hunt

Halloween is celebrated on 31<sup>st</sup> October all over the world.
