Revision of letter (A–Y)

This week the Nursery kids revised letters A-Y, with the help of PLAY DOUGH. The teacher dictated the letter using its phonic sound and action of that particular letter. The children were asked to make the dictated letter with the dough. They enjoyed the activity and co-operated with us well.

NUMBER READINESS

Balancing act: (number 1 to 9)

In maths, our tiny tots revised the number 1 to 9 by balancing on toes and counting up to 9. We asked them to do various balancing tasks like standing on one leg, holding spoon in mouth with lemon, keeping box on head and walking in a straight line etc. The children enjoyed the activity and co-operated with us well.

CONCEPT

Fireman

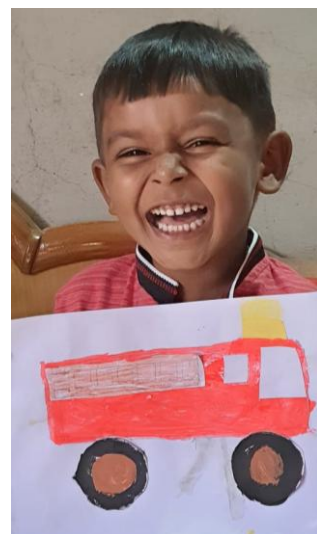

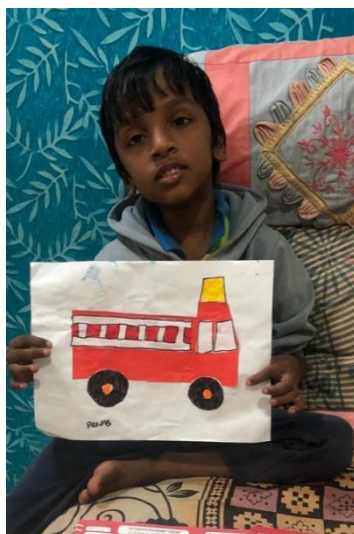

This week, we taught the children about the different types of community helpers. We taught them about gardener, fireman, hairdresser, mechanic, cobbler and policeman. We taught them about their work and what they do. We also taught them about their importance as community helpers. The concept was made easy with help of a PPT. The children enjoyed the concept and co-operated well with their parents and teachers.

LANGUAGE SKILLS

Write The Correct Letters

This week in language skills our tiny tots solved one worksheet. The teachers asked the students to identify the correct missing letter with the help of the given picture. This worksheet helped them to improve their reading skills with phonetic sounds.

CONCEPT

Life In and Around the Water

This week we introduced a new theme “Life In and Around Water” to the students. Under the theme first the teachers showed a picture of a big blue sea and our planet earth with the help of a ppt. Under this they discussed that there are many seas on our planet earth and different kinds of animals and creatures live in and around water. The students enjoyed the concept with help of parents and teachers.

Sentence Formation

In English we did the pages in Class extension book which were related to the reader book as well as the theme of the month Space and Solar System. There were words given in a rectangular box on the top of the page from which students had to choose the correct word and complete the given statement.

MATH

More, Less and Equal

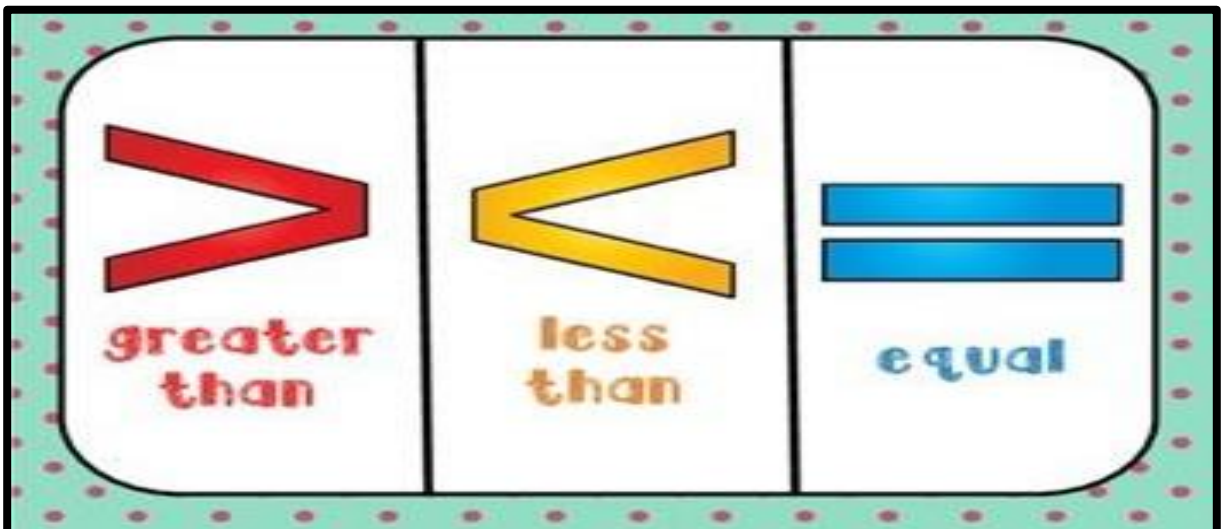

We have done the revision of More, Less and Equal ($>$, $<$, $=$) in this week with a worksheet which was solved very easily by all kids. They gave answers brilliantly. They completed the worksheet very quickly as they had understood the concept of More, Less and Equal very well.

Write the correct symbol ($<$, $>$ or $=$) for each item.

Example: 13 ____ 15 13 $<$ 15

a. 29 ____ 26	j. 21 ____ 18
b. 21 ____ 15	k. 16 ____ 17
c. 11 ____ 13	l. 12 ____ 13
d. 26 ____ 18	m. 29 ____ 14
e. 28 ____ 29	n. 25 ____ 21
f. 15 ____ 16	o. 14 ____ 12
g. 19 ____ 18	p. 10 ____ 11
h. 29 ____ 28	q. 19 ____ 30
i. 14 ____ 28	r. 29 ____ 29

CONCEPT

Special Day – Solar System

Continuing the Solar system theme with the recapitulation of the Solar system, we celebrated the Special Day. All the kids participated in it very enthusiastically. They explained the Planets, Sun, Moon, Astronaut, etc. in their own words. They all spoke very nicely which showed that they liked the theme and enjoyed the Special day.

Does the Earth revolve or rotate around the sun?

REVOLVES

How long does one revolution take?

~ 1 year

Does the moon revolve or rotate around the Earth?

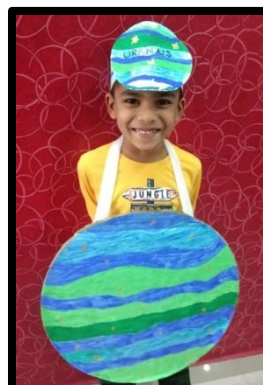

REVOLVES

How long does one revolution take?

~ 1 month
