## Welcome

This week, we started our new academic session 2022-23. We prepared a prop corner to welcome our children to the school. The parents were requested to drop the children at the 'Rise and Shine' building. Parents also went to the selfie point and captured beautiful memories. The principal and vice-principal welcomed the children with smiley cards and welcome cards which were prepared by the teachers. The children enjoyed viewing the colourful school and co-operated well on the first day.

## Visit to Airport

This week, we arranged a visit to the Airport for our little toddlers. This trip was specially organized for the pre-primary section. All the sections of Nursery, Jr. KG and Sr. KG were taken to the Airport by the buses. There were two jet planes at the airport. Our tiny toddlers were taken inside the planes. They were informed about the cockpit, where the pilot sits, and the passenger's seat. This was an educational and fun visit for them.
