## LANGUAGE SKILL

### Introduction to Letter 'A a'

This week the Nursery kids were introduced letter 'A a' with the help of real objects and rhymes. They were also asked to recite the phonics sound of letter A. They had been given some wooden bars, out of which they had to construct the letter, and walk past it. The children enjoyed the activity and co-operated with us well.

## NUMBER READINESS

### Introduction to Number 1

This week the Nursery kids were introduced to the first number '1' with the help of sand play. They were asked to write the number with their index finger on the plate filled with sand. The children enjoyed the activity and co-operated with us well.

## CONCEPT

### Seasons

This week, we taught the children about the seasons- winter, summer and monsoon. We taught them about the changes that happen in each season and the attire we wear during that particular time. We also briefed them about what we eat, and seasonal fruits and vegetables with the help of a PPT.

## LANGUAGE SKILLS

### It's Time to Learn A, B, C...

This week, we did an activity which was related to the identification of letters. We used the magnetic capital letters and board for this activity. A to Z capital magnetic letters and board were given to each child. They had to arrange the letters in proper sequence. They enjoyed the activity and learned the correct sequence of the letters.

## CONCEPT

### All about Me

As per the ongoing theme 'All about me', this week the kids of Jr. KG were taught the concept of the sense organs with the help of activities. For the sense of sight, they did the activity "See around you". For the sense of smell, different types of things were given to them to smell. They learnt the concept of good odour and bad odour. For the sense of hearing they did an activity "Let's make some sound". In this activity they played different musical instruments. For the sense of taste, they were given food items to taste all kinds of tastes like sour, sweet, salty and bitter. For the sense of touch they were taken outside to feel the different textures by touching the sand, grass, walls etc. Children enjoyed all the activities and videos related to the topics that were also shown to them.

## Toddler's Dictionary

Sense organs	Eyes	Ears
Skin	Tongue	Nose
Smell	Hear	Sight

## MATHEMATICAL SKILLS

### Roll the Dice

This week, in the mathematical skill we did an activity called 'Roll the Dice'. Children sat in a circle formation. They were given a dice with number names one to five. They had to roll the dice and read the number name aloud. Then they had to pick the number of that respective number name which they got on the dice.

### Introduction of "S" in Power Sheet

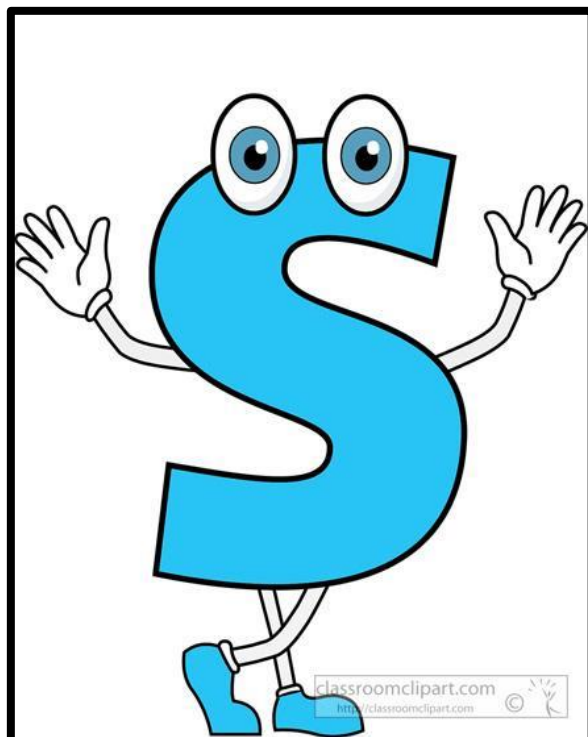

During this week, in language we started power sheet class extension book work. In which, first, the teacher taught them the sound of "S" with the help of phonics. Then the children read it and also wrote the same in their books. After that with the help of vertebrate and invertebrate 'Animal sorting' activity they learnt different words starting with letter "S". They enjoyed this activity a lot.

## Toddler's Dictionary

<b>Vertebrate</b>	<b>Amphibians</b>	<b>Frog</b>
<b>Invertebrate</b>	<b>Tadpole</b>	<b>Salamander</b>
<b>Fish</b>	<b>Lifecycle</b>	<b>Four</b>

## MATH

### Introduction to “Odd and Even Numbers”

In number readiness this week we introduced the concept of “Odd and Even Numbers”. First, the teacher taught them the concept of pair, that a pair has two objects. The concept was made easier with the help of an activity, in which they had to count and pair different objects.

# Dazzling Sr. KG

Even	Odd
Numbers ending in	Numbers ending in
0	1
2	3
4	5
6	7
8	9

# Dazzling Sr. KG

## CONCEPT

### Introduction vertebrate & Invertebrate

According to our ongoing theme, this week we taught the concept of vertebrate and invertebrate. To clear the concept we did sorting activity with different soft toys.
