Navratri Celebration

This week our children of pre-primary section celebrated Navratri festival on 30th September. We invited all the mothers of our pre primary kids with their children in our school to worship 'Goddess Durga'. All the mothers and children were dressed up in traditional attire. They played garba on the beats of live music by our music teacher Mr. Parag Sompura and his group of students. All the teachers, mothers and students enjoyed a lot playing garba. At last, we announced prizes for 'Best performances' and 'Best dressed mothers' followed by refreshments and return gift to each mother. The children and mothers enjoyed a lot.

No

This event was only for Gujaratis as i am non-gujarati person i felt it was little unfair for us as there was only garba program and price was decided on the basis of best garba performance.

Keep doing such programs so that children, parents and teachers remain a link. Children also get entertainment along with learning a lot.

It was really a wonderful experience. Warm welcome, vibrant colors of decor, enthusiastic smiles on the faces of school teachers and principal sir, participation of parents in auspicious pooja, involving music by elder kids, garba, sanedo and unique way of prize distribution ceremony- all these made my day.... over and above all, mothers got chance to spend more time with kids... Excited to attend such more programs

Fine program continue
