Diwali Celebration

Diwali – a row of lights, one of the major festivals celebrated in India. It symbolizes the victory of light over darkness, good over evil and knowledge over ignorance. It also symbolizes our rich culture, and art is one of the best ways to inculcate culture in our children. Our little ones celebrated Diwali by decorating Diyas, making Rangoli and lanterns. The teachers explained them the significance of Diwali festival and all the children participated in the celebration with a great zeal.
