Introduction of letter 'Oo'

This week, we introduced letter "Oo". To make the concept more interesting, we introduced an activity of "Making Octopus". In this activity we gave them a face of octopus with eight paper stripes for making a beautiful octopus by sticking it on that 'O' shaped face by themselves. We also showed them flash cards, PPT and a rhyme for making the session more informative.

NUMBER READINESS

Build it! 1,2,3,4,5,6...

Numbers are fun for children to learn. This time we made them learn counting number 6 by counting different shaped beads. Children enjoyed the session.

CONCEPT

Introduction of Body parts

Being able to identify body parts is important for children because it allows them to start developing a sense of body awareness. For that, we have the theme "Gotta be Me", in which we shown them a cutout of a body and started pointing different parts of it and asked them to show the same part of their own body and name that body part. Children liked the session and enjoyed a lot.

PLAY GYM AND MOVING AND GROOVING

Moving on letter "Oo"

Physical activities are best for learning experience. One of the such activities is "Walking on blocks". In this we kept blocks in pattern of letter "Oo" and made the children walk on it by keeping balance. Children enjoyed the session and learned the shape of the letter.
