Introduction of letter 'Qq'

This week, we introduced letter 'Qq'. To make the concept more interesting, we gave characters of Queen with props to the kids. We showed them different flash cards and birds starting with letter Q. We also shown them real objects like quilt and quill. PPT and rhyme made the session more informative.

NUMBER READINESS

Identify Numbers 1 to 6

Numbers are fun to learn. This week, we made hoopla row and asked the kids to throw the bean bag in particular numbered hoopla. Children enjoyed the session.

Bubbly Nursery

CONCEPT

Sense Organ- Ear

This month we had the theme “Gotta be Me”, in which we introduced sense organ – Ear. The sense of hearing pursues music, speech and environmental sounds. To give them experience of all these we made them hear sounds from sound box, clappers, and headphones. Children liked the session and enjoyed a lot.

PLAY GYM AND MOVING AND GROOVING

Musical movements

Co-ordination activities are best for learning experience. One of the such activities was “Musical Movements”. In this, we gave them tambourines, maracas, metallic bells and other musical instruments. Children enjoyed the session and learned to move with sound patterns.

CONCEPT

On The Move

This week, we introduced a new theme “On The Move” to our kids. As per the theme we explained them about animals, birds, vehicles, traffic rules, maps and zebra crossing. We taught them about the ‘Road Maps’ and ‘Traffic Rules’ through the PPTs and various activities. Power sheet work related to the topic was also done in the class.

Toddler's Dictionary

Vehicles	Maps	Traffic
Signals	Traffic lights	Wheels
Zebra crossing	Driver	Pilot

MATHEMATICAL SKILLS

Ordinal Numbers 1st to 10th

This week, we introduced our kids to Ordinal Numbers with the help of a game called "Parking The Car". The concept was explained through a toy parking zone. We also taught them forward and backward counting and ascending order. Various activities were performed in the class. They also solved one power sheet related to the same.

CONCEPT

People At Work

This week, we taught our children about Paleontologist and Archeologist. Archaeologist studies things that people made in past, used and left behind. To make our children understand the work of an Archaeologist we did an activity. Students played the role of an Archeologist, they dug deep down, took out the numbers buried in the soil, cleaned them with the help of a brush and then observed them with the help of a magnify glass.
