Value Based Vacation Homework

A creative constructive value based vacation home work was compiled and designed by **Mrs. Meeta Jadeja, Director - Kutch Schools** for students and involving their parents with objective to inculcate good habits in students.

For std 6 to 12, the homework was based on 'The 7 habits of happy kids' by Stephen Covey.

Habit 1. Be Proactive – You are in charge.

Habit 2. Begin with the end in mind – Have a plan.

Habit 3. I Put the first thing first and then play.

Habit 4. Think Win Win – everyone can win.

Habit 5. Seek to understand and be understood – Listen before you talk.

Habit 6. Synergize – Together is better.

Habit 7. Sharpen the saw – balance feels best

For std 1 to 5: Fun and Learn lessons for good, healthy and happy life.

1. Grow any one plant, herb or vegetable at your home.

2. Help in household chores like cooking or chopping, washing dishes, folding clothes, arranging cupboards etc.

3. Explore and learn any one Art form like dance, music, craft, drawing etc.

4. Practice any new or indigenous sport or game to stay fit and healthy.

5. Follow healthy Life mantra. Yoga and meditation as your routine.

6. Spend quality time with your grandparents and parents and listen to their childhood experiences or memories.

7. Read new story books and make a list of new words. Share the story of the book with your friends and family.

8. Prepare a dish from a recipe book. Plan two dinner dates with your family at home fully planned and organized by you.

9. Prepare a vlog or diary of your trip, if planned.

10. Click photographs of your tasks done and share in the school app.

Positivity in Pots

“One’s Character is formed as a cumulation of his/her moral values.”

Moral values are the key components of a person's character. It guides people to make decisions and judgments. Moral values play an essential role in any student's life. They help to build a positive character with traits such as compassion, respect, kindness, and humility. Under the guidance of Director of Education (Kutch Region), Ms. Meeta Jadeja, some of the values were displayed on the pots in the school.

The aim is to have the holistic development of students. Also, the students develop a positive attitude towards life thus laying a strong foundation for the future.

Academic and Career Guidance & Counselling

After result of CBSE Board of Grade – 10 and 12, students are preparing themselves for pursuing post secondary courses / college or university courses ahead. There are many questions in their mind like – which stream to select, what is my interest, which career is best for me, what are the future prospective of particular career, study abroad options etc.

Our beloved **Principal – Dr. Mayur Patadia** extended special guidance sessions from 15th May, 2023 onwards, for students, so that all their doubts can be cleared and they get more clarity. Many parents and students met Mayur Sir, personally and took his expert guidance and counseling. After personal meeting they are more focused and directed towards their life goals.

House wise Points

The house system is devised to promote team spirit and a sense of belonging to the school. In our school we have four houses **Gandhi House, Nanak House, Tulsi House and Kabir House**. The House System provides excellent opportunities for student leadership and peer group support.

A House system is to ensure that students take part in extra curricular activities with a competitive spirit. To promote the competitive spirit among students various competitions are held every month. Various activities were held in the month of April – 2023, such as Math Masquerading Competition for Grade 1 to 5, Speed Math Competition for Grade 6 to 12, Origami Competition and Mathematics Quiz Competition for Grade 1 to 12. There was also Inter House Board Decoration Competition. The results of these competition were announced.
