DEAR Program

Date: 08/04/ 2023

DEAR – Drop Everything Thing and Read, was a program very religiously conducted in Adani Public School from Grade 1 - 12, with an objective of inculcating good reading habits, improving vocabulary, writing skills, and communication skills. Reading serves as basic block for learning. It stimulates your imagination. All the students along with teachers dropped all activity and engaged in meaningful reading.

More than 2200 smiling faces of our scholars, their immersion and oneness with the book proved it to be a successful one.

The program will be conducted fortnightly to inculcate reading habits among students. Director (Kutch Region), Mrs. Meeta Jadeja and Principal Dr. Mayur Patadia provided inspiration to students.
