“Reading can take you to places you have never been before.”

Reading bestows enjoyment and enlightenment. It polishes your memory and makes it sharp. It improves cognitive function, reduces stress levels, increase empathy, creativity and also improves our communication skills.

APS Mundra fosters the reading skills among the teachers by organizing the ‘Reader of the Month’. This program was started by Principal Dr. Mayur Patadia with the school Librarian Mr.Suresh Limbachiya. A teacher has to issue a book from the library, read it during a month and present a book review about the same .

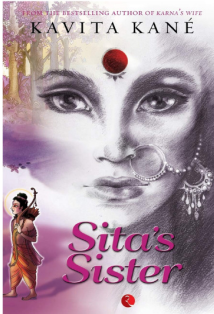

Reader of the Month for June, 2023 is Ms. Sonal Madhok. She presented the book review on ‘**Sita’s Sister**’ by **Kavita Kane**. Her review highlighted various aspects of the book, including the plot, character development, and writing style.
