

## All India Referee Clinic & Upgradation Workshop 8<sup>th</sup> September 2023 to 10<sup>th</sup> September, 2023

**“Keep Training and keep learning until you get it right.”**

The role of PE teacher is to make children learn all about sport, increase their physical literacy, and develop important motor skills. With an aim to inculcate good sports skills in students our HOD of Sports Department, Mr. Hitesh Maheshwari attended the 'All India Referee Clinic & Upgradation Training Program' organized by Throwball Federation of India. It was held at Srinagar, Jammu & Kashmir from 8<sup>th</sup> September 2023 to 10<sup>th</sup> September 2023.

AIFF's Referee development programs are designed to produce qualified Indian referees at all levels for domestic and international competitions and promote refereeing as a career.

Mr. Hitesh Maheshwari successfully completed the training and received the certificate and trophy for the same.

Principal Dr. Mayur Patadia appreciated him for his accomplishment and motivated him to guide the students for the same.
