“संपर्क के धागे सी विशेष, ग्राम से देश, देश से विदेश, हिंदी को रखें सब सहेजा।”

'Rise and Shine' the Pre-Primary section of Adani Public School, Mundra is delighted to share with you the wonderful celebration of Hindi Divas. The young minds of our students were brimming with enthusiasm and creativity as they celebrated the richness of our National Language, Hindi.

The event commenced with the students presenting vibrant and meaningful slogans on the importance and beauty of the Hindi language. Their expressions were not only delightful but also demonstrated their growing understanding and love for our mother tongue.

Following the slogan presentation, the students charmed everyone with their rendition of "Varna Mala" in a poetic and rhythmic manner. Each Varna (letter) was recited with joy, showcasing their grasp of Hindi phonetics and pronunciation. After the event our children had a rally with Hindi Slogans.

The purpose of this celebration was to instill an appreciation for Hindi and foster a sense of pride in our cultural heritage from an early age. Through this event, we aim to encourage our young learners to embrace Hindi and celebrate its significance in our diverse nation. We are immensely proud of our Pre-Primary students and teachers for their efforts in making this Hindi Divas celebration a memorable and enlightening experience. We also extend heartfelt thanks to the **Director APS - Ms. Ami Shah, Director Kutch Schools - Ms. Meeta Jadeja and Principal Sir- Dr. Mayur Patadia and Hindi Teachers** for attending the event and motivating our young learners.
