The Janmashtami celebration at 'Rise and Shine' the pre-primary section of Adani Public School, was a memorable event filled with cultural richness and spiritual significance. One of the highlights of the celebration was the special assembly where **Mrs. Mina Pandhi**, grandmother of Hiya & Deetya Pandhi was invited to share her insights and stories about Janmashtami.

She shared the story of Lord Krishna's birth, highlighting his divine mission to restore Dharma (righteousness) and his teachings on love, compassion, and the pursuit of truth. She spoke about the mischievous yet endearing nature of Lord Krishna, narrating anecdotes that captivated the young audience. She encouraged everyone to learn from Lord Krishna's life and teachings, stressing the importance of living a life of righteousness, love, and selflessness.

The Janmashtami celebration was not only a joyous event but also a spiritually enlightening one, thanks to Mrs. Mina Pandhi's presence and her heartfelt message about Lord Krishna's divinity. It left a lasting impression on the students and reinforced the importance of embracing the values exemplified by Lord Krishna in their lives.
