

Leaders Of The Month- August

Date : 04/ 08/ 2023

“Leadership is unlocking people’s potential to become better.”

In the month of August, five exceptional young learners were chosen and felicitated with smiley badges by **Director APSM- Ms. Ami Shah** as part of our ‘**Leaders Of The Month**’ program. The initiative aims to instil responsibility and leadership qualities in our children. The chosen students were designated as Discipline Leaders, Supply Leaders, and an Energy Leader. Each of them was given a detailed explanation of their respective responsibilities as leaders. This activity will continue every month to encourage and nurture leadership skills among our students.
