

Parents Collaboration

Date : 04/ 08/ 2023

“Parents are a child’s first and most important teachers.”

With the aim to involve parents in the learning journey of our pre-primary children, we had the privilege of welcoming a parent, **Mrs. Lata Chudasama**, to the morning assembly. We invited her to share her passion for dancing and collaborate with the students and teachers to create a special dance performance.

The joy and enthusiasm displayed by the students during the dance were truly heart-warming. The teachers were also actively involved, joining the children on stage to create a seamless and memorable performance.

The morning assembly concluded with a round of applause and appreciation for Mrs. Lata’s valuable contribution. **Director APSM, Ms. Ami Shah** and staff expressed their gratitude for her involvement, recognizing the positive influence it had on the school's atmosphere. Mrs. Lata’s involvement was a testament to the power of collaboration between the school and parents in nurturing a holistic learning environment.
