

Hindi Wisdom Quiz Competition

13th September, 2023

“In a quiz competition every question is an opportunity to learn something new.”

Competition leads to excellence. It gives you an opportunity to show your talent and apply your skills. It motivates students and drives them to put forth their best effort. With an objective to showcase students’ creativity and real-life skills, Adani Public School participated in **Inter School Hindi Wisdom Quiz Competition**, organized by **Amarchand Singhvi International School, Gandhidham**.

Under the guidance of **Ms. Jyoti Samkaria** our three students **Ms. Yashashvi Bakuni (Class 8 Pansies)**, **Master Harnish Vasani (9 Hazels)** and **Master Yatharth Bhatt (10 Bluebells)** took part in this competition.

In the first-round students made an advertisement. In the next round they were having translation of words from Hindi to English and vice versa, puzzles, historical places, slogans, audio visual round etc.

A total of 13 schools participated in this competition. Out of these schools four schools qualified for the final round. Proud moment for Adani as our stars once again proved that **ADANI IS BEST**. **They achieved fame for school by winning the 1st Runner up Trophy**. Principal Dr. Mayur Patadia congratulated all students and the **Hindi Department** for encouraging the students.

Glimpses of the Competition

Felicitation of Students
