

IGNITE 2023

Date – 7th October, 2023

Atal Tinkering Lab Inter School Science Exhibition Cum Competition

An Atal Tinkering Lab provides activity - based learning in identified schools across the country where young minds can give shape to their ideas for societal problems. Two teams from APS participated in 'IGNITE 2023' an Inter School Science Exhibition Cum Competition on 7th October 2023. It was held at Doon Public School Bhuj.

In Team A (6 -8) Master Jaydev Parmar and Master Karmaveer Gohil presented the working model of **Agriboat (Agriculture tool)**. They received the participation certificate for the same. In Group B (9 -12) Master Soumadeep Chaudhary and Master Tanay Chothani made the **working model of Home Automation**. It included working of home appliances, water level controller and automatic gardening. **They brought laurels for school by getting the 1st Runner up position**. Principal Dr. Mayur Patadia congratulated Ms. Dhwani Buch and the students for their achievement and complimented them by giving away the certificates and trophy.
