

SPORTS ACHIEVERS - SGFI

The **School Games Federation of India (SGFI)** is a national organization that promotes and organizes various sports events for school children in India. It was established in the year 1955 with the aim of encouraging sports activities among school students and identifying talented athletes who can represent India at the International Level.

SGFI has been instrumental in promoting sports among school children in India and has produced many talented athletes who have gone on to represent India at the International level. Its efforts have not only helped in developing sports infrastructure in schools but also in promoting physical fitness and overall well-being among schoolchildren.
