Book Mark Making is a fun way in which students get into the habit of reading more and more book on regular basis and develop their interest in reading. The Bookmark Exchange Program was conducted in the month of October in celebration of International School Library Month (ISLM) 2023 was a resounding success. **The creative and talented minds of APS, Mundra not only created digital bookmarks but also exchanged them with various schools in Portugal, the United States of America, Romania, Croatia, Lithuania, Poland, Malaysia, and Turkey, under the guidance of the Librarian, Mr. Suresh Limbachiya.**
