31st Gujarat State Level National Children Science Congress

Date – 1st December, 2023

“The science of today is the technology of tomorrow.”- Edward Teller

The 31st Gujarat State Level National Children Science Congress, a program of National Council for Science and Technology Communication (NCSTC) Department of Science and Technology Government of India. It was organized by the Gujarat Council on Science and Technology (GUJCOST), Department of Science and Technology, Government of Gujarat. It witnessed enthusiastic participation from Adani Public School (APS) children, showcasing their remarkable dedication to scientific exploration and innovation. Our two students Soumadeep Chowdhury and Tanay Chothani from Class XI were selected for the same.

The 31st Gujarat State Level National Children Science Congress was held on **1st December 2023 at Science City Ahmedabad**. Altogether there more than 500 projects. Our students presented the working model of **Eco – Friendly Smart Home**. **They were awarded a Telescope and Certificate of participation. Ms. Dhvani Buch was also awarded a Certificate of Participation as a Guide teacher.**

Principal Dr. Mayur Patadia congratulated Ms. Dhvani Buch for her continuous guidance and students for participating in such events and giving their best.
