Edusecure ERP Training for Teachers

December 14, 2023

**“Job training empowers people to realize their dreams and improve their lives.” –
Sylvia Mathews Burwell**

Training is crucial for organizational development and success. It is fruitful to both employers and employees of an organization. Employees are trained to refresh and enhance their knowledge. APS Mundra believes in the holistic development of students as well as teachers.

‘Edusecure’ is education ERP (Enterprise Resource Planning) solution. It is a comprehensive web-based Automation and Management Software which has been designed and tailored specially for educational institutes to assure smooth administration and management of various scholastic activities.

ERP training was conducted for teachers on December 14, 2023 by Ms. Khalida Sorathiya. **The objective of the meeting was to introduce teachers to the new ERP software by ‘Edusecure’ and ensure their understanding of its features and functionalities.** The session was structured in accordance with the parent orientation guide and teacher orientation guide provided by ‘Edusecure’. It covered both the mobile view and browser view of the app to ensure comprehensive understanding.

The teachers were trained :

- Monitoring Regular Attendance
- Managing Weekly Planners
- Tracking Classwork and Homework Assignments

Principal Dr. Mayur Patadia motivated the staff to start using the app as it is integral to streamline the communication.
