

## International Commerce Olympiad

December 12<sup>th</sup> , 2023

**“It is nice to have valid competition; it pushes you to do better.” – Gianni Versace**

Olympiads are a kind of competitive exam, held across schools, to tap exceptional students with the best of potential, talent, aptitude, and IQ. Through creative activities and the integration of IT into the learning process, it also fosters a scientific attitude and personality, building a future in which the youth of today will serve as the leaders of tomorrow.

The International Commerce Olympiad (SOF - ICO) is a prestigious exam designed by the Science Olympiad Foundation (SOF) for students in grades 11 and 12, aimed at identifying and nurturing their inherent abilities, including logical reasoning, problem-solving, decision-making, and critical thinking.

**The SOF ICO seeks to challenge and stimulate the scientific and intellectual curiosity of participating students, fostering a spirit of competitiveness and innovation.** By participating in this Olympiad, students will have the opportunity to showcase their skills and knowledge in economics, business studies, accounting, and other related disciplines, preparing them for future academic and professional endeavors. **Adani Public School conducts various Olympiad examinations for the overall development of students.** This year **29 students** appeared for this examination. **The examination was held on 12<sup>th</sup> December 2023 in school premises** during regular school timings. The examination was conducted successfully under the supervision of the teachers. **Principal Dr. Mayur Patadia gave Special thanks to Ms. Alka Chavda and Olympiad Team for coordination.**
