

International Social Studies Olympiad

December 12, 2023

“Competition teaches you the value of hard work and dedication.”– Kobe Bryant

The Olympiads are held on a national and international scale, and foster competition among students in different academic fields or grade levels. Whether they are national or international, Olympiads are acknowledged as among the most challenging tests to pass. The highly sought-after exams enable students to compare their knowledge and awareness of a subject to that of their rivals while also fostering a competitive spirit. **The International Social Studies Olympiad (SOF - ISSO) is a prestigious educational event held annually by the Science Olympiad foundation.** The ISSO examination provides a platform for students to showcase their understanding of various concepts in social studies, from ancient civilizations to modern-day political systems. The examination not only tests the students' knowledge of facts and figures but also their analytical and critical thinking abilities.

Adani Public School conducts various Olympiad examinations for the overall development of students. A total of **95 students appeared for this examination. The examination was held on 12th December 2023 in school premises** during regular school timings. The examination was conducted successfully under the supervision of the teachers. **Principal Dr. Mayur Patadia gave special thanks to Ms. Alka Chavda and the Olympiad Team for coordination.**
