"Competition teaches you the value of hard work and dedication." ~ Kone Bryant

Rangotsav Celebration is a National Level Art Competition from Mumbai, Maharashtra. It inspires students to do their best. They conduct various competitions like Colouring, Handwriting, Collage making, Cartoon making, Sketching, photography etc. Our three students participated in National Level Art Competition. They brought glory for school by achieving various positions and are selected for International Level Art Competition.

It was possible because school and teachers encouraged them to show their creativity and uniqueness by motivating them to participate in such competitions and kept guiding them.
