

## Parent Orientation 2024 - 25

Grades – 1 to 12

Date: 14th June, 2024

**“Together We can give our children the roots to grow and the wings to fly.”**

A Parent Orientation was conducted on 14<sup>th</sup> June 2024 for Primary and Secondary Section at APS, Mundra under the guidance of Director APS, Ms. Ami Shah. Director (Kutch Region) Mrs. Meeta Jadeja, and Principal, Dr. Mayur Patadia. The objective of this orientation was to acquaint the parents with the NEP 2020, National Curriculum Framework (NCF) new academic session, curriculum, assessment, activities and processes of the school.

A detailed session on NEP-2020 and the National Curriculum Framework (NCF) was taken by Principal Dr. Mayur Patadia. The new structure of 5 + 3 + 3 + 4 and all other key points were explained. Focus on the holistic development of the students was elaborated. He also enlisted various activities that are inline with NEP and NCF to bring about holistic development in children.

After that Coordinators, Ms. Priti Sharma, Mr. Hitesh Thacker & Mr. Parimal Parmar briefed the parents about school environment, curriculum, assessment pattern and various policies for primary and secondary sections. the activities in the school.

Orientation continued with the subject teachers’ presentations. They demonstrated various teaching methodologies used in different subjects to make learning fun for the children. The session was sum up emphasizing that positive connections between parents and teachers are essential for ensuring a positive impact on students’ academic potential. It will not only help students to build trust, but also it will make them feel welcomed and willing to work more intentionally to meet classroom goals. It was an interactive and enriching session for parents.

### Glimpses of Primary Section

Very good Initiative.  
More Informative.

Parent orientation programme help to give valuable insight to understand where we are lacking in teaching as a parents and to improve for having students - Teachers - parents integration.  
Mogha

One suggestion  
Please provide proper air cooling systems in class also in transportation bus in summer

Parent orientation very good. set good information but i want more im provment in my child because he not doing well  
Thank You.  
Vashud

Parent-orientation  
are awesome.  
one suggestion:-  
Kindly improve Bus  
facility. Please provide  
AC-Facility in every one  
Month.

Co-ordination  
from principal sir,  
and Co-ordinator was  
good & well understood.  
Gomka

Thank you very  
much for  
both feedback and  
is that and  
Thank  
So good information and  
all teacher's are taught well.  
Sally

## Glimpses of Secondary Section
