

Parent Orientation for RTE Students June 28, 2024

The Right to Education aims towards providing free and compulsory elementary education to kids between the ages of 6 years to 14 years. A Parent Orientation for RTE students was conducted on June 28, 2024, at APS, Mundra. The objective of this orientation was to acquaint the parents with the best teaching practices, curriculum, assessment, activities and processes of the school. The program started with the brief introduction of the school by Principal Dr. Mayur Patadia. After which the Primary Coordinator, Ms. Priti Sharma, briefed all the above in detail. Class teacher Ms. Renu S was also present at the session.

Principal Dr. Mayur Patadia in his address suggested parents to spend quality time with their children. Overall, it was an informative session for all the parents. Parents gave very positive feedback and appreciated the school for its efforts.
