

## Janmashtami Celebration

August 23, 2024

**"Krishna is the embodiment of love, joy, and wisdom. May his teachings guide us always ."**

Our Pre-primary section celebrated Janmashtami with great enthusiasm and excitement. The children were dressed in their best Krishna and Radha costumes, adding to the festive atmosphere.

The Janmashtami celebration commenced with our esteemed teacher, Ms. Rekha, setting the tone for the festivities. She began by sharing insightful information about the life and teachings of Lord Krishna, enlightening the students about the significance of this auspicious occasion. Her words sparked curiosity and wonder in the young minds, preparing them for the exciting events that followed.

Our tiny tots stole the show with their energetic and adorable dance performance to the tune of Krishna's beloved songs! Their little feet moved with enthusiasm, and their bright smiles lit up the stage. It was a heartwarming sight to behold, filling our hearts with joy and pride.

Our little ones enthusiastically participated in the traditional 'Matki phod activity', reliving the joyous moments of Krishna's childhood. With tiny hands and big smiles, they broke the matki (earthen pot) filled with sweets, symbolizing Krishna's mischievous yet lovable nature.

The pre-primary section was filled with the sweet voices of our tiny tots, chanting "Jay Kanhaiya Lal Ki" in unison, creating a mesmerizing atmosphere of devotion and celebration.

Our tiny tots enjoyed a variety of activities in the classroom, including matki decoration, feather making, and other Krishna-inspired crafts, showcasing their creativity and skill.

We express our heartfelt gratitude to our dignitaries, Director cum officiating Principal Ms. Meeta Jadeja; Director, Ms. Ami Shah and Vice Principal, Dr. Renu Patidar for their encouragement in making our Janmashtami celebration a huge success.
