

Class Observation and Teachers' Training

July 12, 2024 & July 13, 2024

Teacher training courses are primarily arranged for ensuring professional development for for teachers. It plays a vital role in overall improvement of education system. The training session for Pre primary teachers was held by Kangaroo Kids at Adani Public School, Mundra. It was held on July 12, 2024 and July 13, 2024. The session was conducted by Ms. Suvija Nair, representative of Kangaroo kids.

The objective of the teacher's training session was to equip educators with the necessary knowledge and skills to effectively implement the Kangaroo Kids curriculum and pedagogy in the classroom. Participants included both new and experienced educators interested in enhancing their teaching methodologies and understanding of child-centric education.

On July 12, 2024 the resource person did the observation of teachers lessons and shared her positive feedback for the same. On July 13, 2024 she took the session with the teachers.

Following points were included in the session:

- Introduction to Kangaroo Kids Philosophy
- Curriculum Overview
- Pedagogical Strategies
- Assessment and Evaluation
- Classroom Management

The training session concluded with positive feedback from the participants who expressed confidence in applying Kangaroo Kids methodologies in their classrooms. The teacher's training session for Kangaroo Kids was a productive and enriching experience that aimed at empowering educators with the tools and knowledge necessary to foster a nurturing learning environment.

Special thanks to Director APS Ms. Ami Shah and Director of Education (Kutch schools) for their constant support and guidance.
