# Codeavour 5.0 National Level Competition

## April 8, 2024

Codeavour is the biggest International Fest hosted annually by STEMpedia, where participants make innovative projects with hands – on learning using PictoBlox to make the world a better place. Our nine students (5 teams) participated in Codeavour Regional level Competition held at Shivashish World School Bopal Ahmedabad. Under the guidance of Ms. Dhvani Buch they made different models. Out of these 9 students(4 teams) were selected for the National level Competition.

These students participated in Codeavour National level Competition held at Delhi Alpine Convent School. It was held on April 8, 2024.

### Group 1

Sr. No.	Name of the student	Class
1.	Heet Amarnani	8
2.	Karmaveersinh Gohil	8
3.	Harshdeepsinh Zala	9

The students of Group 1 made Smart Home with touch sensors, sound sensors and mobile application. They added multiple features with low cost and was user friendly.

### Group 2

Sr. No.	Name of the student	Class
1.	Sarthak Bist	8
2.	Moulik Sharma	8

The students of Group 2 made Accident Prevention Car. Most of the accidents on the road occur because drivers are drunk while driving. One of the most important features of this car was it can automatically detect if someone is drunk and driving the car. Even if someone drinks after boarding the car, due to the detector it immediately stops.

Students received participation certificate for the same. It was a learning experience for them. Principal Dr. Mayur Patadia congratulated Ms. Dhvani Buch and students for their achievement. He also wished them All the Best.

# Climate Action

June 13, 2024 to June 20, 2024

## Background of SDG

The Sustainable Development Goals (SDGs), also known as the Global Goals, were adopted by the United Nations in 2015 as a universal call to action to end poverty, protect the planet, and ensure that by 2030 all people enjoy peace and prosperity. The 17 SDGs are integrated—they recognize that action in one area will affect outcomes in others, and that development must balance social, economic, and environmental sustainability.

## SDG – 13 Climate Action

Climate change is now affecting every country on every continent. It is disrupting national economies and affecting lives, costing people, communities, and countries dearly today and even more tomorrow. Sustainable Development Goal 13 urges to take action to combat climate change and its impacts.

Adani Public School, Mundra planned **Climate Action Week from (13 June to 20 June 2024)** with the objective of:

- Knowing about SDG – 13 (Climate Action).
- Knowing about various Climate Actions like drought, floods, etc.
- Becoming aware about various factors responsible for climatic action.
- Practicing various measures by which we can reduce the effect of climatic actions.

# Climate Action

June 13, 2024 to June 20, 2024

Following activities were observed during this week:

## PLEDGE (13 June 2024)

A pledge was taken in the assembly to protect and prevent environment. A significant moment was the oath-taking ceremony conducted on 13 June, 2024, by Mr. Bhagwat Sharma, Head of the Environment Department APSEZ and his team. Students, teachers, and staff solemnly pledged to adopt eco-friendly practices, conserve natural resources, reduce waste, and promote environmental awareness in their daily lives.

# Climate Action

June 13, 2024 to June 20, 2024

## Distribution of Tulsi Plant to Teachers and Staff (13 June 2024)

Tulsi plants are known for their air-purifying properties and symbolic significance in Indian culture. As part of the Environment Week Celebration, **APSEZ generously distributed Tulsi plants all the teachers & staff.**

# Climate Action

June 13, 2024 to June 20, 2024

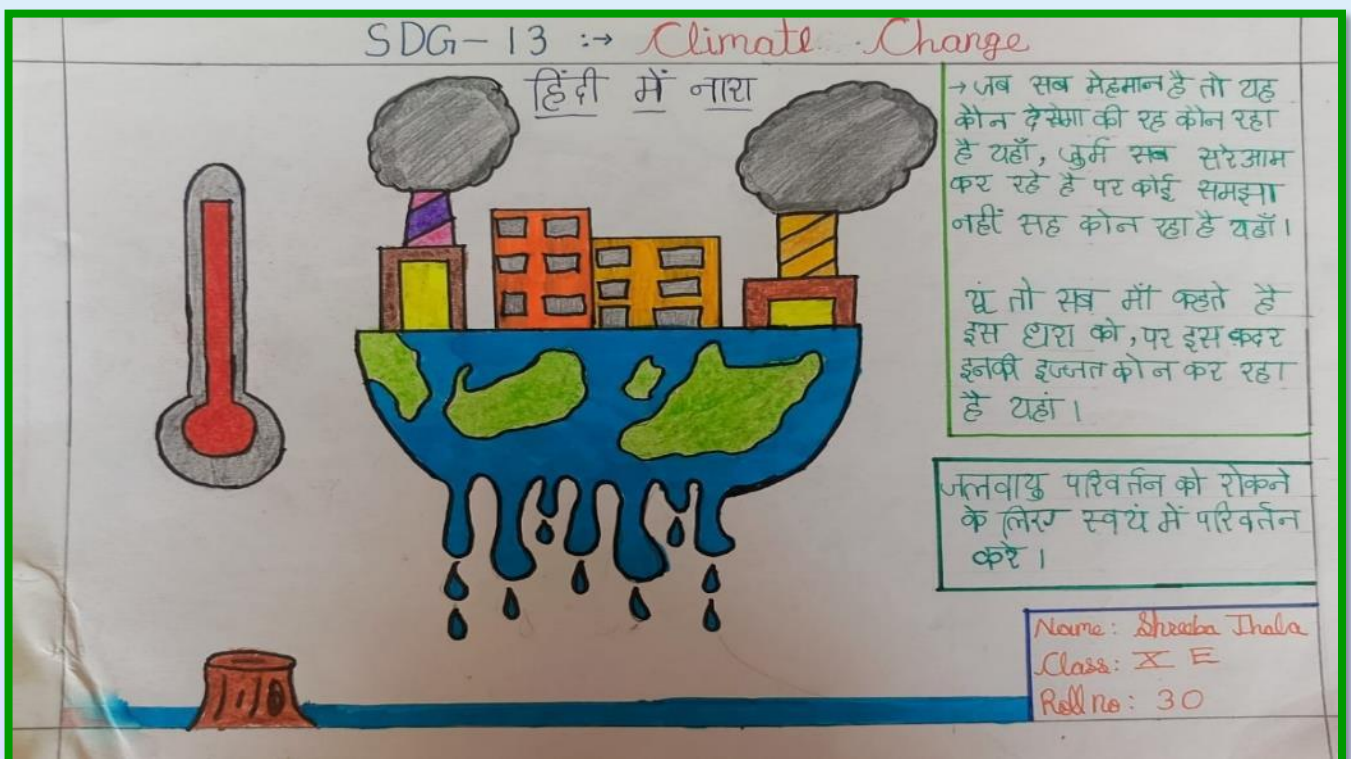

## Measures we can take to combat climatic action: (18 June 2024)

Climate change refers to long term shifts in temperature and weather patterns. It affects all regions around the world. Climate actions refer to efforts taken to combat climate change and its impacts.

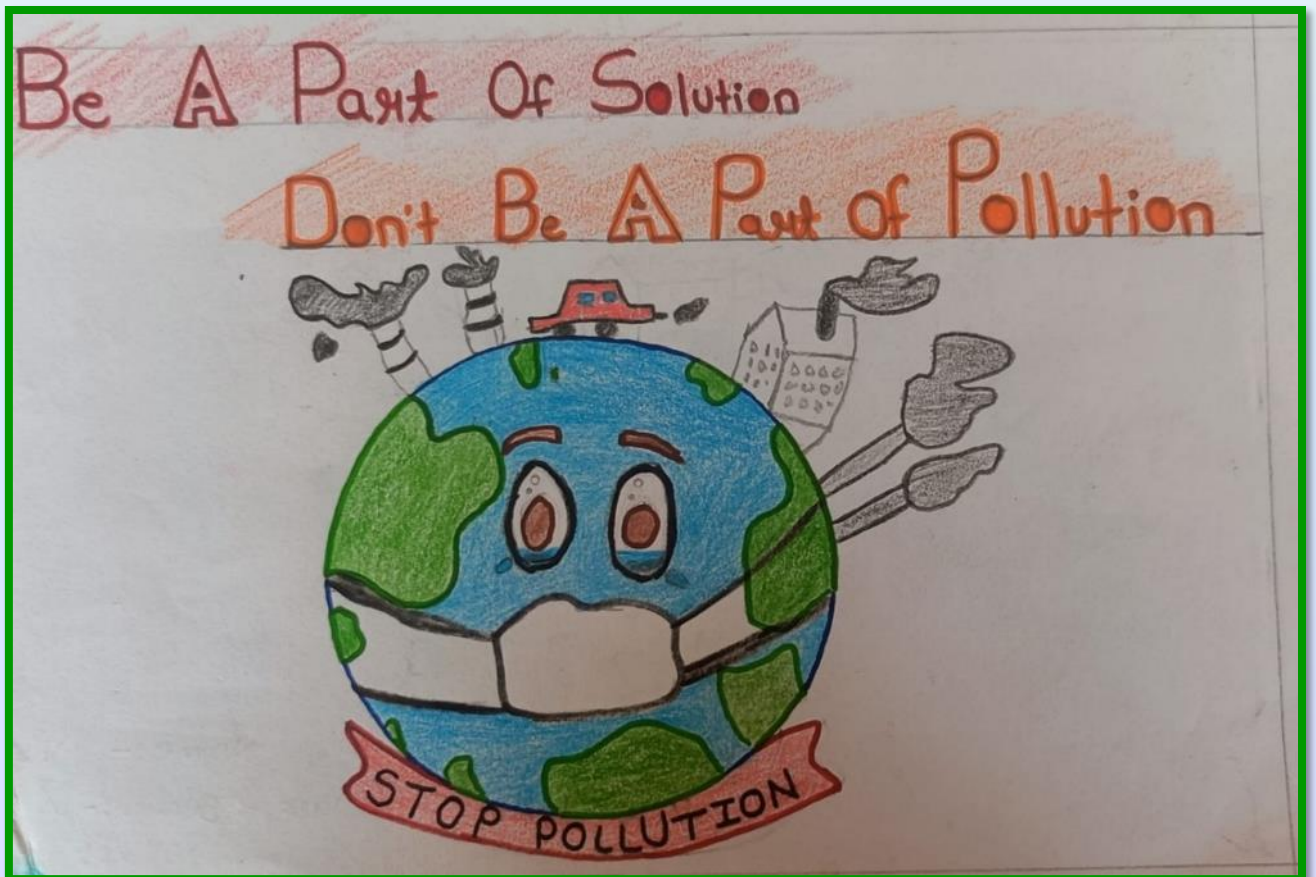

Science teachers shared with students' consequences and some of the factors responsible for climate action. They also discussed the measures that they can practice in their daily lives at home, school and outside.

## Slogan Writing Competition – Grade 1 to 12 (19 June 2024)

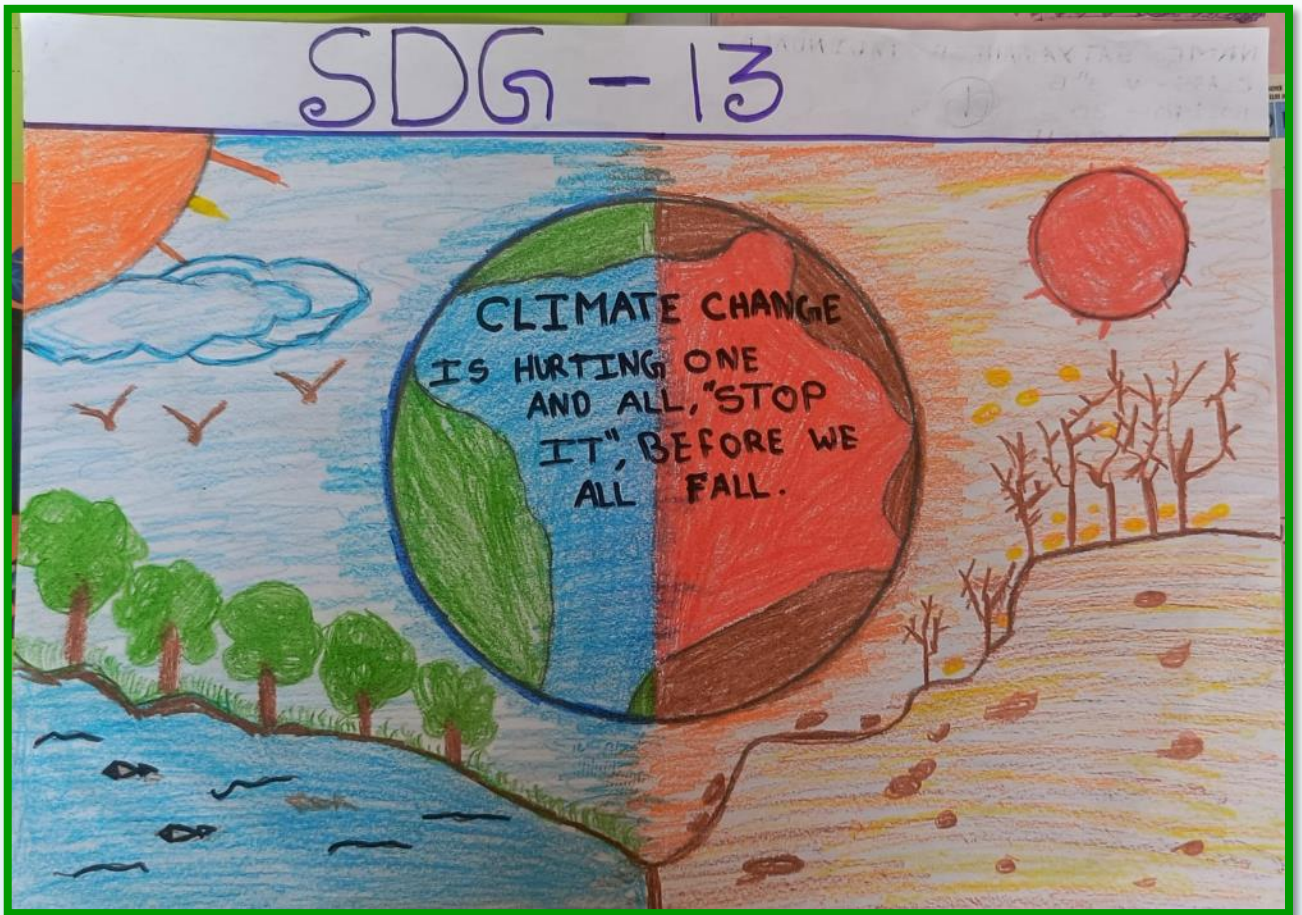

APS organized a Slogan Writing Competition for the students of Grade 1 to 12. They created beautiful slogans related to Environment in different languages. Students beautifully decorated the pictures and expressed their creativity. The best three from each class were awarded with the certificates.

# NCC Naval Camp

June 15, 2024 to June 24, 2024

Camp training is the practical manifestation of institutional training. The basic aim of Camps is to introduce cadets to a regimented way of life and helps in developing camaraderie, team work, leadership qualities, self-confidence, self-reliance and dignity of labour in the cadets.

Thirteen students (9 girls and 4 boys) from Adani Public School participated in 5 Gujarat Naval Unit's Combined Annual Training Camp (CATC) at Rudramata Dam, Bhuj, held from June 15, 2024 to June 24, 2024. .

In CATC the cadets are trained in the basic skills of survival and emergencies. Throughout the camp students were engaged in rigorous physical training including drills and obstacle courses which enhanced their fitness and endurance. They took part in various competitions like Poster Making, Speech Competition, Quiz Competition, Drill Competition and Tug of War. They also participated in various co-curricular activities like listening to motivational speeches, Cultural events, Celebrating Yoga Day at Rakshak van, Air Force Station visit and many more.

Along with this they attended lectures by ANOs and CTOs on different types of trekking, personality development, leadership, disaster management etc. Ms. Jigisha Patel CTO of Adani Public School, Mundra also took training Adventure activities like parasailing, paragliding hiking, trekking, rock climbing etc. and SWOT analysis. The ten- day NCC Camp was an enriching and transformative experience for our students.

Our students participated in various activities and brought laurels for school by achieving various positions.

Sr. No	Event	Name of the Student	Position	Medal
1.	Drill Competition	Suhani Nayal	3rd	Bronze
2.	Speech Competition	Vishwa Modi	3rd	Bronze
3.	Tug of War	Girls	Runners up	Trophy

**Adani Public School got 2<sup>nd</sup> rank and received trophy as the Best Institution for Overall Performance.**

Special thanks to CTO Ms. Jigisha Patel for coordination, support and guidance provided to students during the camp and Principal Dr. Mayur Patadia for motivating students to participate in camps

# Career Guidance Session

June 22, 2024

Guidance on careers is a crucial service that assists people in understanding their options and making well-informed choices. Through specialized career guidance programs, learners get a clear view of their career trajectories and learn strategies to navigate potential challenges in their professional lives. These programs offer the necessary tools and resources for effective career planning and decision-making. They often feature evaluations that help individuals gain a deeper understanding of their abilities and interests, resulting in more personalized career advice. On June 22, 2024, a career assessment for Grade – 11, was conducted. A total of 110 students from commerce and science stream participated. Mr. Kamran Khavra, our Special Educator, took the session and guided the students for career selection.

## **Following points were covered in the session:**

- What is a career?
- The importance of career planning
- Understanding your personality
- Identifying your values

Participants were also given two psychometric tests for self-evaluation. The tests included:

- MBTI (Mayer Briggs Type Indicator) Personality Type Test
- Value Assessment
- Both assessments were paper-based, and the students showed great enthusiasm and completed them within the allotted time. We especially thank Ms. Ami Shah, Director APS, Ms. Meeta Jadeja Director (Kutch Schools) and Principal Dr. Mayur Patadia for arranging such a wonderful session.

वन्दना चाक्री:

वन्दना ने जीवन के साधारण से दिखने वाले पक्षों और विषयों को कविताओं में विशेषता का अलंकार किया है। ये अपनी गहरी भावना-शक्ति के साथ व्यक्तित्व हैं।

शुद्ध भावनाओं में पूरी वन्दना साहित्य में गुनगुनाने में यकीन है। वन्दना का मानना है कि जीवन के साधारण से ही हमारे मन के आँसू और विचारों को बरतना ही जगत्समस्त तक पहुँच सकते हैं।

इस काल्पनिक कवि के द्वारा वन्दना ने हिन्दी भाषा के अति आने के आँसू को व्यक्त किया है। उनका मानना है कि हिन्दी भाषा के कविों में असीम क्षमता है जो साधारण से ही जीवन के आँसू को, साथ ही जीवन का भी दर्शा सकते हैं। वे भाषा, दूर-दूर तक एक नई भाषा है और हर वन्दना एक साधारण से ही जीवन का भी।
