

Luminary Talk – Nuseir Yassin

September 24, 2024

“If you can change your mind, you can change your life.” – William James

An inspiring story teller, Mr. Nasir Yassin, the founder of Nas Daily visited Adani Public School on September 24, 2024. Mr. Nasir Yassin is an Israeli Palestine vlogger and an inspiring story teller. He shares exciting, thought provoking and often unconventional stories from around the world. He addressed the students of grade 1 to 5. **The objective of his visit was to inspire and motivate students to achieve their full potential.**

In his session with students, he was highly energetic and gave wonderful message to the students

- to do things differently,
- do things with perseverance and
- never give up.

He also interacted with the teachers and shared his experience with them. He insisted the educators to expand the horizon of students. During his collaboration with teachers, he asserted that success lies in the ability to showcase the beauty of human diversity, challenge perspectives and inspire positive change. He emphasized that one should not be discouraged by the number of attempts required to attain the goals.

Special thanks to Director of Adani Schools Ms. Meeta Jadeja, Director of APS Ms. Ami Shah Principal Mr. Hemant Kumar Sharma and Vice Principal Dr. Renu Patidar for inviting such a fervent personality and inspiring students as well as teachers.
