

National Science Seminar 2024

September 4, 2024

“Competition is a good thing, it forces us to do our best.”

National Science Seminar (NSS) is the program of National Council of Science Museums (NCSM), Ministry of Culture, Govt. of India for school students of Std. VIII to X. GUJCOST coordinates and organizes the National Science Seminar for school students in Gujarat State on a specific theme and topic. **The objective is to promote the popularization of science and the spread of a scientific temper and attitude among the people of the state.**

Our grade VIII B student **Devart Taralkumar Kansara** participated in **District level National Science Seminar organized by the Gujarat Council on Science and Technology (GUJCOST)** run by The Indian Planetary Society on the **topic: Artificial Intelligence: Opportunities and Concerns**. He brought laurels to school by achieving the **1st** position in Kutch District and is qualified for the State Level Competition.

Hon. Principal Mr. Hemant Kumar Sharma and respected Vice Principal Dr. Renu Patidar felicitated Master Devart Kansara in school assembly by giving him the trophy and certificate. They also gave him their best wishes for his future endeavors.
