"Dashing Daddies Join Pre-Primary for 100th Day Celebration"

Date: 21/09/2024

The pre-primary section of Adani Public School recently celebrated its 100th day of school with great enthusiasm and excitement. To make this milestone even more special, we invited our Dashing Daddies to join in the fun.

Event Highlights:

1. Hula Hoop Daddy Dash: Fathers participated in a thrilling hula hoop game.
2. Ball Bonanza: Dads and kids played an entertaining ball game, promoting bonding and teamwork.
3. Snatch and Smile: In this game Dads and kids played 'snatch and smile' where they shared laughs and made memories.
4. Fireless Feasts with Dad: Kids enjoyed a fireless cooking with dad. They enjoyed the mouth-watering bhel together.
5. Daddy's School adventure: It was real adventure for Dad to make their child ready for school. The coordination between both was worth a sight.
6. Creative Daddy Duo- Fostering creativity and bonding between dads and kids. They gave wings to their imagination by creating amazing artwork with number 100.
7. Feedback Time: Dads appreciate the school's initiatives and provided valuable feedback. Dashing Daddies actively participated, strengthening school-family ties.

The 100th Day celebration with Dashing Daddies was a resounding success. We appreciate the support and enthusiasm shown by our fathers and look forward for more collaborative events in future.

Director of Kutch schools Ms. Meeta Jadeja, Director APS Ms. Ami Shah, Principal cum Director Mr. Hemant Kumar Sharma, and Vice Principal Dr. Renu Patidar also became a part of the event and enjoyed the event.
