

# Adani Public School

## Mundra

### E Waste Management

**October 1, 2024 to October 10, 2024**

Generation Green Campaign (Gen G) an initiative to inspire and empower youth to champion sustainability through green skills and actions. E-waste management is crucial because electronic waste contains toxic substances like lead, mercury, and cadmium, which can harm the environment and human health if improperly disposed of. Proper E-waste management helps mitigate pollution, conserve natural resources, and protect ecosystems and communities from hazardous materials.

Our ATL students of Class VI to VIII have participated in **Generation Green Campaign! E Waste 2024 from October 1, 2024 to October 10, 2024**. It was an initiative by the Government of India which was held all over India. It was held at Adani Public School, ATL Lab, Mundra. **The main objective of this program was to educate students on the harmful effects of E-waste and the importance of recycling among students.**

The various activities organized by the school like the **Gen G Pledge, E-waste collection drives, poster-making sessions and any E-waste art**. Our students showcased their talent by presenting unique models like **E Buddy Robot with the help of Ultrasonic sensor, buzzer, Ball bearing, servo motors, wires, Bix, LEDs**. Through e-waste management programs, students gained valuable knowledge and skills, including: Environmental Impact Awareness, Recycling Techniques, and Safe Disposal Practices.

Special thanks to the **Management, (Director, Kutch Schools)** Ms. Meeta Jadeja, (Director, APS) Ms. Ami Shah, (Principal – cum – Director) Mr. Hemant Kumar Sharma and (Vice Principal, APS) Dr. Renu Patidar for giving exposure through such platforms as well as motivating and encouraging students to participate in such programs.

## E Waste Management

## Birth Anniversaries of Great Leaders & Swachhata Week October 1, 2024 to October 5, 2024

1<sup>st</sup> October 2024 Tuesday was a great celebration day for Adani Public School as birth anniversaries of two great leaders - Mahatma Gandhiji (the Father of our Nation) and Lal Bahadur Shastriji's (the second Prime Minister of India) were rejoiced in the assembly. These two splendid leaders have been a motivation to the world. Gandhiji the name itself relates to the word "Swachhata". Hence the entire week (1<sup>st</sup> October 2024 to 5<sup>th</sup> October 2024) was announced as the 'Swachhata Week'.

As a part of our commitment to 'Swachhata hi Seva' initiative from the Western Regional Office at Mundra & Kandla Gujarat had outlined an action plan for 2024 to promote cleanliness and hygiene. **Ms. Sukanya Pondugala, the Assistant Director (Technical) and Authorized Officer at Mundra, Kandla, and AAC, with the Food Safety and Standards Authority of India (FSSAI) visited Adani Public School. Her team made all the students, teachers and staff members take the Swachhata pledge.** In her speech she appreciated the assembly and highlighted the importance of keeping the surrounding clean.

The thought for the day and word of the day was related to the cleanliness. To elevate the energy, a special musical performance by Jay Rajgor of class XI 'C' on flute with Rehan Ramani of class VIII 'E' on tabla, captured the essence of freedom through their soulful tunes. It was followed by the 'Fancy Dress Parade' by students of class I who were dressed as freedom fighters and National heroes.

Principal Sir Mr. Hemant Kumar Sharma in his speech emphasized the importance of cleanliness and announced that the classes will be observed by all the authorities and the cleanest class will be declared in the assembly. The classes should be decorated with the theme of 'Cleanliness and Patriotism'.

Special initiative to acknowledge and appreciate the silent efforts and dedication of cleaning staff was organized. Thank you cards to 'Safai Mitr' were given by students.

Various other competitions were planned for different classes related to the monthly theme- 'Health'. It is to emphasize the essential elements of- Social, Mental, Emotional, Spiritual and Physical health.

# Swachhata Week

## Swachhata Pledge

## Swachhata Week

## Music Performance

# Swachhata Week Fancy Dress Parade

**Swachhata Week**  
**Fancy Dress Competition Class I**

A Fancy-Dress Competition was organized for the students of class I. Students dressed up according to the theme (Freedom Fighters/National Leaders). The event showcased young boys and girls portraying famous Indian freedom fighters and National leaders. The participants captivated the audience with their creative and historically significant costumes. Students introduced their characters in few sentences in their respective classes.

## Swachhata Week

### Class II : Gandhiji's quotes Competition

Students remembered the famous slogans and quotes of Mahatma Gandhi and presented before the class with expression.

### Classes III and IV: Peace Symbol Competition

Students created a Peace Symbol using various colors on drawing sheet. They were allowed to use craft materials too.

### Classes V and VI Essay writing/ Story Writing Competition

Essay Writing Competition and Story Writing Competition was organized for the students of classes V and VI. Students wrote inspiring stories about the nation's Gallantry Award winners and Freedom Fighters.

## Swachhata Week

### Classes VII Poster Making Competition

Poster Making Competition was organized for the students of class VII. The theme was Life of freedom fighter and National Gallantry Awards winners. The foremost aim of poster making competition is to spread the feeling of patriotism with the help of creativity. Students created beautiful posters using their creativity.

### Class VIII Poster Making Competition – Theme E Waste Management

E waste describes discarded electrical or electronic devices. A sensitization event like poster making can inspire them to take action, encouraging responsible e-waste disposal, recycling, and reducing electronic waste generation. Students made creative posters on E waste management.

# Swachhata Week

## Poster Making Competition

## Swachhata Week

### Class IX: Poem Composition Competition (English/Hindi/Gujarati)

Students of class IX enthusiastically participated in Poem Writing Competition. They wrote poem on nation's Gallantry Award Winners and freedom fighters. The objective of this competition was to ignite the feeling of patriotism among students.

### Class XI: Elocution/Guess Who am I? Competition

Students prepared a speech of two minutes inspired by Mahatma Gandhi's and Lal Bahadur Sashtriji's life, values and contributions to society. They also thought of a famous Indian freedom fighter acted like them and other students were asked to guess the name. It was a successful event and students enjoyed participating in it.

## Navratri Celebration

October 3, 2024 to October 10, 2024

Navratri is one of the most important festivals celebrated to worship the Goddess Durga. Adani Public School, Mundra also celebrated Navratri with great spiritual zeal and enthusiasm. It was held from 3<sup>rd</sup> October, 2024 to 10<sup>th</sup> October 2024 highlighting the importance of these nine days.

On 3<sup>rd</sup> October, the celebration started by offering prayers to Maa Durga in school assembly. (Director, Kutch Schools) Ms. Meeta Jadeja, (Principal -cum – Director, APS) Mr. Hemant Kumar Sharma and (Vice Principal, APS) Dr. Renu Patidar along with all the staff members and students became part of it, seeking the blessings of the Goddess to protect everyone from evil.

Reya Shah a student of Grade V shared her views, illuminating the importance of Day-1 of Navratri. She added that the first day is dedicated to Maa Shailaputri, the daughter of the Himalayas and an incarnation of Goddess Parvati. It was followed by a mesmerizing Garba Performance by the students of classes VIII and IX. They wore traditional dresses and groomed exquisitely showcasing the rich culture of Kutch. All the bright-coloured fabrics made the event appealing. Everyone was synced with the beats of the music and the steps of Garba.

## Navratri Celebration Day 1

# Navratri Celebration Day 1

## Navratri Celebration Day 2

### October 4, 2024

On the second day of Navratri (**October 4, 2024**) it is believed that worshipping Maa Brahmacharini helps all to cultivate resilience, patience and determination. Shrey Soni of class V highlighted the significance of day adding that on this day we honour Maa Brahmacharini, the goddess of penance and meditation. A special classical performance was given by Samvritha K of class IX D with elegance and dexterity. It was a colorful and magnificent day.

## Navratri Celebration Day 4

### October 7, 2024

**Day 4** of Navratri was full of zeal. This day of Navratri is dedicated to Maa Kushmanda, the creator of the universe. Ishaan of Grade –V highlighted the significance of this day adding that Maa Kushmanda is worshipped on the 4<sup>th</sup> day of Navratri. Her light shines on us, reminding us of the power of positive energy and creativity. To add more charm to this day, garba performance was presented by the young artist of school. Students of classes I, II and III showcased blending of traditional dance forms with a contemporary flair. Their unmatched enthusiasm, presenting a kaleidoscope of colorful dresses, rhythmic beats and energetic movements left everyone amazed.

## Navratri Celebration Day 4

## Navratri Celebration Day 5

### October 8, 2024

Day 5 is dedicated to Maa Shandmata, the goddess of motherhood and love. Tirth of class V highlighted the significance of this day. He shared Day 5 as a very auspicious day. To highlight the importance of pure and divine relationships, a wonderful performance was presented by the students of classes IV, V and VI. This day was indeed a day of bonding, where the gathering, the celebration and the dance etched a unique combination of joy, beauty and unity.

## Navratri Celebration Day 6

### October 9, 2024

**On Day 6 (October 9, 2024)** we honor Maa Katyayani, who represents the destroyer of evil. Significance of the day was highlighted by Shabdi Srivastika of class VIII who made the students aware about why we worship Maa Katyayani on this day. She added that Her story inspires us to be fearless in eliminating negativity and injustice from our lives. On this note, a wonderful performance was presented by the students of classes VI and VII.

## Navratri Celebration Day 6

## Navratri Celebration Day 7

### October 10, 2024

The last day of Navratri celebration depicted the importance of Dussehra. Shreya Singh of class IX highlighted the importance of day adding that Dussehra, also known as Vijayadashmi, symbolizes the triumph of good over evil. It commemorates Lord Rama's victory over the demon king Ravana, representing the victory of righteousness, truth, and virtue. Beyond mythology, Dussehra inspires us to conquer our inner evils like ego, anger, and greed, reminding us that light always dispels darkness. It's a celebration of courage, integrity, and the ultimate victory of good in life.

To make this day memorable, a drama was performed by the students of classes VII, VIII and IX, depicting the epic of Ramayana. All the important characters of Ramayana were portrayed beautifully. The confident and deftly trained students created an aura of brilliance, transporting the spectators to the world of the epic. It was indeed an amazing performance showcased by the students.

Principal, Mr. Hemant Kumar Sharma, also addressed the assembly on this very auspicious day. He appreciated the performance of the students. Also, he added in his speech that Rama and Ravana both are different entities. We don't need to go anywhere to find Rama or Ravana. Both of these symbolize virtues and vices respectively. The need is to self- introspect. If both are taken care of wisely, triumph will be of Rama i.e. virtue always. He also put the stress on the need of discipline, punctuality, non-violence and kindness in everyone's life to make such a path that can be followed by others. He urged the students to promote goodness and positivity in them to create the life of their dreams and bring success and victory into their lives.

## Navratri Celebration Day 7

## Navratri Celebration Day 7

### Conclusion

The objective of Navratri celebration was to celebrate the cultural diversity of Navratri and provide a platform for students to showcase their talents, fostering a sense of unity and tradition. It was a memorable Navratri celebration and will forever live in our hearts.

Special thanks to (Director, Kutch Schools) Ms. Meeta Jadeja (Director, APS) Ms. Ami Shah, (Principal – cum - Director, APS) Mr. Hemant Kumar Sharma and (Vice Principal, APS) Dr. Renu Patidar for their constant support and guidance. Their timely encouragement and motivation had made this event a grand success.

# NCC Rifle Shooting Training Program

October 4, 2024

The National Cadet Corps (NCC) is the organization which instills discipline in the souls of the cadets, besides fostering healthy Competition for the ranks, while keeping the greater interest of the nation in mind to create prospective officers for the Armed Forces.

Training is a compulsory component in NCC. Cadet's training includes rifle drill, shooting, map reading, first aid, gliding/flying, boat pulling, sailing, coast guard and camp training covering basic of military training in Army, Navy, and Air Force. Weapon training is a very important part of the NCC program. As a part of their training, NCC organized a training program of 'Rifle Shooting' on October 4, 2024 at HJD Institute Kera. Under the guidance of Associate NCC Officer (ANO) Mr. Amrit Singh 42 NCC Cadets of second year batch from Adani Public School, Mundra attended this session. In this session, senior army officers explained to the students about:

- Stance and posture
- Grip and aim
- Breathing and trigger control
- Slight alignment and focus

Under rifle shooting training, cadets got the real time experience of handling the rifles. They learnt how they must take care of the weapons and how to use them at the time of need. Overall, these training programs will surely help students in their future.

## NCC Training at HJD Kera

# International English Olympiad

October 8, 2024

Olympiads are held nationally and worldwide, and they encourage students from similar academic disciplines or levels to compete. The coveted tests help students develop a competitive mindset while also allowing them to evaluate their knowledge and awareness of a subject topic to that of their competitors.

The International English Olympiad (SOF IEO) is an acclaimed examination conducted by the Science Olympiad Foundation. The IEO exam serves as a remarkable platform to discover English Language proficiency. **It enhances English language skills and confidence.**

**Adani Public School conducted International English Olympiad on October 8, 2024. This year 246 students from classes I to XII appeared for this examination.** The examination was conducted in school premises under the supervision of teachers during regular school timings.

(Principal – cum - Director, APS) Mr. Hemant Kumar Sharma and (Vice Principal, APS) Dr. Renu Patidar thanked (Olympiad In-charge) Ms. Alka Chavda and Olympiad Committee for the coordination and smooth conduction of International English Olympiad Examination.

# International English Olympiad

## School Field Trip – Class VIII

October 9, 2024 & October 10, 2024

Field trips are an essential part of the learning experience offering hands on learning and real world experience. It offers a unique opportunity for students to learn, grow and develop essential skills. **APS organized the field trip of class VIII to Adani Solar Energy Plant and Adani Wind Tech Facilities on October 9, 2024 and October 10, 2024.** All the sections of class VIII (175 students) along with their teachers went to the trip. The objective of this journey was to witness various innovations in the field of science and technology. They gained the valuable insights into the cutting – edge world of renewable energy.

- At the Adani Solar Energy Plant they witnessed how advanced solar photovoltaic panels are manufactured and how sunlight is efficiently converted into electricity.
- At Adani Wind Tech they learned how wind turbines capture the power of wind to generate electricity contributing to sustainable future.

It was an enriching experience both for students and teachers. They were truly grateful to the school for this enriching experience.

Special thanks to Management, (Director, Kutch Schools) Ms. Meeta Jadeja, (Director, APS) Ms. Ami Shah, (Principal – cum – Director, APS) Mr. Hemant Kumar Sharma, (Vice Principal, APS) Dr. Renu Patidar for arranging such educational field trip for students.

## School Field Trip – Class VIII

# International General Knowledge Olympiad

October 15, 2024

The International General Knowledge Olympiad, also known as SOF IGKO, is an examination organized by SOF for students in classes I to X. The primary objective of the exam is to promote and enhance the understanding of general knowledge among students. The exam is designed to assess their knowledge of current affairs, social and political developments, history, geography, and other related subjects.

The IGKO Olympiad exam provides an excellent opportunity for students to develop their critical thinking skills and expand their knowledge beyond their regular classroom curriculum. **Adani Public School conducted International General Knowledge Olympiad on October 15, 2024. This year 206 students appeared for this examination from classes I to X.** The examination was conducted in school premises under the supervision of teachers during regular school timings.

(Principal – cum - Director, APS) Mr. Hemant Kumar Sharma and (Vice Principal, APS) Dr. Renu Patidar thanked (Olympiad In-charge) Ms. Alka Chavda and Olympiad Committee for the coordination and smooth conduction of International General Knowledge Olympiad examination.

# International General Knowledge Olympiad

# School Field Trip - Class I

October 16, 2024

A field trip provides experiential learning opportunities that can enhance understanding and retention of information. They connect the classroom learning with the real-world situations.

**APS organized the field trip of Class I to Adani Airport, Mundra on October 16, 2024.**

All the sections of Class I (182 students) along with their teachers went to the trip.

**The objective of this journey was to encourage students to observe, question, and analyze their surroundings, enhancing critical thinking and problem-solving abilities.**

It was a wonderful and exciting experience as many had the privilege to closely see the aircraft for the first time. Students enjoyed the bus journey with their friends.

- They were fortunate to witness two aircrafts there.
- The ground staff explained the basic details of the aircraft. They also explained about the air strip, air traffic, fire brigade and importance of security measures.
- Students relished the energy drink which was provided at the airport.
- It was an enriching experience both for students and teachers. They also got an exposure to new environment and a desire to learn more.

Special thanks to Management, (Director, Kutch Schools) Ms. Meeta Jadeja, (Director, APS) Ms. Ami Shah, (Principal – cum – Director, APS) Mr. Hemant Kumar Sharma, (Vice Principal, APS) Dr. Renu Patidar for taking permission and arranging such a special trip to the airport.

## School Field Trip – Class I

## School Field Trip – Class I

# Parent Teacher Meeting Priya Students

October 9, 2024 & October 16, 2024

Parent Teacher Meetings are a chance to truly connect with parents, share successes, address concerns and build a support system for each student.

APS conducted Parent Teacher Meeting for classes X Priya students on October 16, 2024 and for class XII Priya students and academically high achievers on October 9, 2024. **The objective was to discuss the progress of Priya students in Class X and XII and collaborate with parents to improve their academic performance. Parents of high achievers' students of Class XII Commerce and Science were also called to further enhance their performance.**

The session was taken by Principal - cum - Director Mr. Hemant Kumar Sharma. He discussed with parents and students the importance of board examination. He emphasised on regularity and punctuality.

During the Parent Teacher Meeting he discussed the following points:

- Parents need to be in regular contact with the class teacher and subject teacher.
- Use time judiciously.
- Students need to listen to their parents and follow their advice.
- Practice at home and take guidance of their teacher.

Class teachers shared the following points:

- Teachers discussed students' academic performance and behavioural issues.
- Teachers shared individual student reports, highlighting strengths, and areas for improvement.
- Answer papers of Term 1 Examination were shown to parents.
- Discipline in classroom and attendance of students were discussed too.

The meeting provided a clear understanding of goals and priorities. It allowed constructive feedback and ideas. It gave an opportunity to build healthy relationships with each other. Under the guidance of Mr. Hemant Kumar Sharma and (Vice Principal, APS) Dr. Renu Patidar the smooth transaction of meeting was experienced.

# School Field Trip – Class VI

October 17, 2024

A field trip is a visit to an area outside of the normal classroom where children can try new things, have different experiences and learn valuable life lessons.

**APS organized the field trip of class 6 to Shyamji Krishna Verma Memorial also known as Kranti Teerth on October 16, 2024.** All the sections of class VI (175 students) along with their teachers went to the trip. The objective of this journey was to enrich students' educational journey in profound ways and fostering cultural understanding and empathy. It aimed to pay tribute to the contribution of Shyamji Krishna Varma and also to educate the young generation about those great Indians who sacrificed everything for the country's freedom. It was a wonderful experience.

- They saw a replica of India House building at Highgate along with statues of Shyamji Krishna Varma and his wife.
- They visited a gallery dedicated to earlier activists of Indian independence movement, housed within the memorial.
- They saw the Urns containing Krishna Verma's ashes and those of his wife.
- They visited the museum depicting Shyamji Krishna Verma's role as an Indian Revolutionary fighter in India House at London.

It was an enriching experience both for students and teachers. They also got instilled by the feeling of patriotism and a sense of respect and gratitude for the Indian freedom fighters.

Special thanks to Management, (Director, Kutch Schools) Ms. Meeta Jadeja, (Director, APS) Ms. Ami Shah, (Principal – cum – Director, APS) Mr. Hemant Kumar Sharma, (Vice Principal, APS) Dr. Renu Patidar for arranging such educational field trip.

## School Field Trip – Class VI

# Hindi Essay Writing Competition Felicitation

October 17, 2024

The **Tata Building India School Essay Competition** is one of the key initiatives undertaken by the Tata Group to motivate the youth and foster the spirit of nation building. It was organised on Hindi Diwas (September 14, 2024) to pay tribute to Hindi language. This school essay competition provides a unique platform to encourage young leaders of tomorrow to showcase their expressions in writing, on a host of subjects related to nation building.

APS prearranged Hindi Essay Writing Competition organized by Tata Building India. The objective was to promote creative writing skills and critical thinking among students. The competition was held for both primary and secondary classes. The topic for the competition was 'The Role of Youth in India's Development'. **The winners of the competition were felicitated by giving away the certificates in the morning assembly on October 17, 2024.**

Tata Building India Hindi Essay Writing Competition was a resounding success. The event promoted creative thinking, critical thinking and effective communication skills. Principal – cum – Director Mr. Hemant Kumar Sharma and Vice Principal Dr. Renu Patidar congratulated the winners and the In - charge teacher Mr. Vinod Joshi for the smooth conduction of competition in school.

# Art Exhibition

October 19, 2024

**“Art is the essence of life. Without art there is no life.”**

Adani Public School Mundra is not only providing quality education but also providing a platform where children can bring out their hidden talents. Art Exhibition is one such platform, which not only nurtures creativity in children but also enable children to think out of the box.

**Art and Craft Department of APS organized ‘Art Exhibition 2024’ on October 19, 2024 in the Central Courtyard of the school to provide limitless opportunities to creative minds.** The idea behind this exhibition was not only to encourage children to use their imagination, but also help them in understanding Life and Nature as a whole. The parents were delighted to watch the colourful displays of their wards and lauded the students’ efforts, who, under their teachers’ guidance, had put up a fantastic array of artifacts.

Principal Mr. Hemant Kumar Sharma and staff applauded the students for their creative flair, as such exhibitions motivate and instill confidence in young minds. (Director, Kutch Schools) Ms. Meeta Jadeja, (Director, APS) Ms. Ami Shah, (Vice Principal, APS) Dr. Renu Patidar congratulated Art and Craft Department (HOD) Ms. Payal Parmar and Ms. Swaranjeet Kaur for guiding students. They also appreciated the efforts put in by the students to make the event a grand success.

# Parent Teacher Meeting

October 19, 2024

Parent Teacher Meetings are a chance to truly connect with parents, share successes, address concerns and build a support system for each student.

APS conducted Parent Teacher Meeting for classes I to XII on October 19, 2024. **The objective was to discuss students progress, address concerns and collaborate on strategies for improvement.** Teachers shared individual students report, highlighting strengths, and areas for improvement.

During this Parent Teacher Meeting:

- Answer papers of Term 1 Examination were shown to parents.
- Teachers discussed students' academic performance and behavioural issues.
- Discipline in classroom and attendance of students were discussed too.

The meeting provided a clear understanding of goals and priorities. It allowed constructive feedback and ideas. It also addressed and resolved the ongoing challenges of the class. It gave an opportunity to build healthy relationships with each other. Parents were present in good number and actively participated sharing concerns and suggestions.

Under the guidance of (Director, Kutch Schools) Ms. Meeta Jadeja, (Director, APS) Ms. Ami Shah, (Principal – cum - Director) Mr. Hemant Kumar Sharma and (Vice Principal, APS) Dr. Renu Patidar the smooth transaction of meeting was experienced.

## School Field Trip – Class VII

October 21, 2024 & October 23, 2024

Field trips are an essential part of the learning experience offering hands on learning and real world experience. It offers a unique opportunity for students to learn, grow and develop essential skills. **APS organized the field trip of class VII to Adani Solar Energy Plant and Adani Wind Tech Facilities on October 21, 2024 and October 23, 2024.** All the sections of class VII (175 students) along with their teachers went to the trip. **The objective of this journey was to witness various innovations in the field of science and technology. They gained the valuable insights into the cutting – edge world of renewable energy.**

- At Adani Solar and Adani Wind Tech plant they gained a fresh understanding of how solar panels and wind turbines work.
- They learnt about energy conversion and significance of renewable energy in reducing carbon emissions.
- The principles that underpin solar and wind energy generation.
- This experience will enable students to think on their own energy usage habits which may inspire them to adopt more sustainable behaviours in their daily lives.

Special thanks to Management, (Director, Kutch Schools) Ms. Meeta Jadeja, (Director, APS) Ms. Ami Shah, (Principal – cum – Director, APS) Mr. Hemant Kumar Sharma, (Vice Principal, APS) Dr. Renu Patidar for arranging such an educational field trip for students.

## School Field Trip – Class VII

## School Field Trip – Class VII

# School Field Trip – Class XI

**October 21, 2024**

With the purpose of expanding students' educational travels in profound ways, **Adani Public School, Mundra, had arranged a field trip for Class XI to Renewable Energy Park in Khavda, Kutch on Monday, October 21, 2024.** Renewable Energy Park is expanding at unbelievable speed and will be soon becoming the world's largest power facility. The children understood the importance of renewable energy and sustainable development at the plant.

109 students from Class XI (Commerce and Science) along with their teachers went to the field trip. The children and their teachers left Mundra at 8 a.m. for Khavda using the school transport. On arrival at Khavda they were warmly greeted by Renewable Energy Park staff.

## **Here are some insights of the field trip...**

- The representatives informed them about Adanis' strategy, which included Adani Power and Adani Green Energy supplying 6,600 MW of hybrid solar and thermal power to Maharashtra.
- The PowerPoint presentation informed students that the energy created would be distributed across the country. According to a 2022-2023 comparison assessment, the plant will be capable of producing 30 GW of energy by 2030.
- The lecture also demonstrated the issues encountered in the region.
- It was demonstrated to the students how energy is generated through the use of both solar and wind power at that specific time.
- Solar modules are cleaned and installed using robots.
- In total, there are three camps: an airship, a communication tower, and a RO water plant.

The students returned on the same day and were pleased with their visit. Their exposure and learning were effective and fruitful. Special thanks to Management, (Director, Kutch Schools) Ms. Meeta Jadeja, (Director, APS) Ms. Ami Shah, (Principal – cum – Director, APS) Mr. Hemant Kumar Sharma and (Vice Principal, APS) Dr. Renu Patidar for organizing such an enlightening tour.

## School Field Trip – Class XI

# International Math Olympiad

October 22, 2024

Olympiads whether national or international, are widely regarded as one of the most challenging exams. These exams give exposure to students about competition and make them ready to face any competitive challenge that they will confront in future.

The International Mathematics Olympiad (SOF IMO) is an annual event conducted by the Science Olympiad Foundation (SOF) to evaluate the mathematical abilities of students from classes I to XII.

The IMO is a prestigious Math competition for students worldwide. The primary objectives of this exam are to challenge and encourage mathematically gifted students. It also promotes problem solving skills, critical thinking and logical reasoning. The top 5% students who qualify for the IMO level-1 will be eligible to participate in the IMO level-2 competition.

**Adani Public School conducted the International Math Olympiad on October 22, 2024.** This year 581 students appeared for this examination from classes I to XII. The examination was conducted in school premises during regular school timings under the supervision of teachers.

(Principal – cum - Director, APS) Mr. Hemant Kumar Sharma and (Vice Principal, APS) Dr. Renu Patidar thanked (Olympiad In-charge) Ms. Alka Chavda and Olympiad Committee for the coordination and smooth conduction of IMO.

# International Math Olympiad

## Eye Check - up

October 22, 2024 to October 25, 2024

An **eye examination**, commonly known as an **eye test**, is a series of tests performed to assess vision and ability to focus on and discern objects. It also includes other tests and examinations pertaining to the eyes. Eye examinations are primarily performed by an optometrist, ophthalmologist, or an orthoptist. Health care professionals often recommend that all people should have periodic and thorough eye examinations as part of routine primary care.

In confederation with Government Health Department, APS Mundra organized the eye checkup program. **It was arranged for the students of classes I to V to identify vision problems and provided recommendations for correction. It was conducted by Vision Spring ('See Well Do Well') under the umbrella of Adani Foundation from October 22, 2024 to October 25, 2024.** Their slogan was 'Clear eyesight bright future'. Students with refractive errors (corrective glasses/ lenses) and other vision problems were suggested to consult the Ophthalmologist. It was conducted well under the assistance of school nurse, Ms. Munira Khoja.

The eye check - up was successful in identifying vision problems among students. Special thanks to Management, (Director, Kutch Schools) Ms. Meeta Jadeja, (Director, APS) Ms. Ami Shah, (Principal – cum – Director, APS ) Mr. Hemant Kumar Sharma and (Vice Principal, APS) Dr. Renu Patidar for arranging such camps for the benefit of young children.

## Eye Check - up

## Eye Check - up

# School Field Trip – Class V

October 23, 2024

Educational trips encourage students to observe, ask questions, and think critically about what they see and experience. The unique experiences gained during educational trips create lasting memories, reinforcing the lessons learned and promoting a love for exploration.

**APS organized the field trip of class V to Shyamji Krishna Verma, Mandvi on October 23, 2024.** All the sections of class V (192 students) and their teachers went to the trip. **The objective of this journey was to foster curiosity and critical thinking, knowing historical background, learning through interactive exhibits that inspire exploration, experimentation and analysis along with reasoning.** It was a splendid experience. Students enjoyed the bus journey and munched titbits with their friends.

- Children visited two galleries, one was the history of Shyamji Krishna Verma and the other was India House where ashes of him and his wife are still preserved in marble containers. They learned about the struggles and sacrifices they made.
- Children carefully observed the sculptures which seemed to be real. They enthusiastically noted the attractions to be remembered in their dairies. It definitely instilled the values of love for the nation and patriotism.
- It was an enriching experience both for students and teachers. They also got an exposure to new environment and a desire to learn more.

Special thanks to Management, (Director, Kutch Schools) Ms. Meeta Jadeja, (Director, APS) Ms. Ami Shah, (Principal – cum – Director, APS) Mr. Hemant Kumar Sharma, and (Vice Principal, APS) Dr. Renu Patidar for arranging such special field trip.

## School Field Trip – Class V

## School Field Trip – Class V

# School Field Trip – Class III

October 23, 2024

Field trips turn lessons into adventures. Its like stepping out of the classroom into the world of discoveries. It is an interesting break from a routine and provides memorable hands on experiences.

**APS organized the field trip of class III to Bhadreshwar on October 23, 2024.** All the sections of class III (200 students) and their teachers went to the trip. Children visited Adani Vidhya Mandir School followed by Jain Temple and Hanumanji's Temple (Rokadiya Hanuman).

**The objective of this journey was to introduce students to different cultures, communities, and historical contexts, broadening their perspectives.** The students observed that different schools have different infrastructure and facilities. They focused on design, infrastructure planning and artistic skills of craftsmen when they visited the temples. This definitely inculcated the feelings of respect for various professions.

It was a fantastic experience. Students enjoyed excursion with their pals especially in the bus.

- They visited the school “Adani Vidhya Mandir” and had their snacks which they had carried along. They had fun playing games and dancing.
- "Join us at the temple, where every corner whispers stories of devotion and serenity." They observed the spectacular art work of Jain temple and then the Hanumanji temple.

Special thanks to Management, (Director, Kutch Schools) Ms. Meeta Jadeja, (Director, APS) Ms. Ami Shah, (Principal – cum – Director, APS) Mr. Hemant Kumar Sharma, (Vice Principal, APS) Dr. Renu Patidar for taking permission and arranging such an exciting trip.

## School Field Trip – Class III

# School Field Trip – Class IV

October 24, 2024

An educational field trip enrich the learning process and contribute significantly to students' personal and academic growth. Interacting with peers and guides during trips help students develop teamwork, communication, and social interaction skills.

**APS organized the field trip of class IV to Regional Science Centre, Bhuj on October 24, 2024.** All the sections of class IV (189 students) and their teachers went to the trip. **The objective of this journey was to foster curiosity and critical thinking through hands-on interactive exhibits that inspire exploration and experimentation.** Students enjoyed their bus journey and munched titbits all the way with their friends. It was a splendid experience. They witnessed:

- Different galleries related to solar system, mathematics, sciences, plants, etc, the guides took them for a walk through.
- The models, miniature designs & layout and prototypes filled the students with awe.
- These centres are designed to engage children in a hands-on, interactive learning experience, fostering a deeper understanding of scientific principles and phenomena.
- Children enthusiastically noted the knowledge to be recalled in their dairies.
- It was an enriching experience both for students and teachers. They also got an exposure to new environment and a desire to learn more.

Special thanks to Management, (Director, Kutch Schools) Ms. Meeta Jadeja, (Director, APS) Ms. Ami Shah, (Principal – cum – Director, APS) Mr. Hemant Kumar Sharma, (Vice Principal, APS) Dr. Renu Patidar for taking permission and arranging such an enlightening trip.

# Diwali Celebration

October 25, 2024

Including Diwali festivities at school is a wonderful opportunity to create a joyous, educational environment that teaches students about culture, values, and community. In continuation of the celebrations, **Adani Public School celebrated Diwali with great enthusiasm. The objective was to promote cultural awareness, teamwork and community spirit among students and staff.**

Students of Kabir house presented a grand show of Diwali in the morning assembly. The show began with a 'Nukkad Natak' performed by the students, emphasizing the importance of using less crackers to reduce environmental pollution. The skit also provided insight into the lives and conditions of children working in cracker factories. **They gave an important message to celebrate Diwali by lighting diyas, making rangoli, decorating their homes with colourful lights, and spending quality time with their loved ones.** It was followed by a rhythmic dance performance on "Ashta Lakshmi Stotra" by the girls. Their smooth and exquisite gestures captivated the crowd and were well received by all. The program culminated with the speech of (Vice Principal, APS) Dr. Renu Patidar. She shared the significance of the event and emphasised on the message of green, clean and peaceful Diwali.

The Diwali celebration was a grand success, fostering unity and cultural awareness among students and staff. The entire presentation filled the hearts of all students with the spirit of Diwali and they enjoyed the celebration wholeheartedly.

(Director, Kutch Schools), Ms. Meeta Jadeja (Director, APS), Ms. Ami Shah (Director-cum-Principal), Mr. Hemant Kumar Sharma, and (Vice Principal) Dr. Renu Patidar wished everyone Happy Diwali and Happy New Year.
