**Ms. Milan Sampat**  
**Pre-Primary Coordinator**  
**APS Mundra**

As Pre-Primary Coordinator at Adani Public School, I've had the privilege of serving this esteemed institution for 15 years.

## Our Philosophy

Our visionary principal once stated, "Pre-primary is the identity of the school." We firmly believe in this philosophy, recognizing early childhood education as the foundation of a child's life. A strong foundation enables children to confidently face future challenges.

## Our Approach

At Adani Public School, we:

1. Develop resilience and adaptability.
2. Excel academically.
3. Grow into capable, confident individuals.

## My Role

As Pre-Primary Coordinator, I ensure our young learners receive nurturing guidance, personalized attention, and innovative teaching methods.
