

Olympiad Second Level Examination

February 9, 2025

“Competitive exams don’t test you, but your authenticity of being an aspirant.”

Olympiads, whether national or international, are widely regarded as one of the most challenging exams. These exams give exposure to students about competition and make them ready to face any competitive challenge that they will confront in future.

The Second level of Olympiad exams was conducted for English (SOF IEO), Science (SOF ISO) and Mathematics (SOF IMO) for students of classes III to XII.

APS conducted the second level of Olympiad examination on February 9, 2025. This year total 84 students from different schools appeared for the second level examination. Students from APS along with Aga Khan, O P Jindal, DPS School, Mandvi, Pearl School and Kalorex Future school participated in it. Mr. Dhanraj Dana from O P Jindal visited the school as SOF Observer.

(Principal – cum – Director, APS) Mr. Hemant Kumar Sharma and (Vice Principal, APS) Dr. Renu Patidar congratulated the Olympiad committee for smooth coordination and management.
