**“Rhythm and harmony find their way into the inward places of the soul.” –

Music is a multifaceted art form that plays a vital role in human experience. Music brings people together, fostering a sense of community and shared experience. It is an integral part of cultural heritage, reflecting the values, traditions, and history of different societies.

Kala Mahakumbh is a significant cultural event, primarily organized by the Gujarat state government in India. It's designed to promote and preserve the rich artistic and cultural heritage of the region. One of our talented student Ms. Sampoorna Majumder of class VII C participated in Kala Mahakumbh competition. Her music journey is a testament to perseverance. She participated in various levels from District to Zonal and finally reached the State level, highest in this event. Each level of competition provided valuable experience, allowing her to perform exceptionally well in front of different audiences and judges.

With her remarkable talent, She soared to grab the first place at the state level, making us incredibly proud and illuminating our school with her success. She also gained exposure by meeting other talented artists, fostering learning and growth.

(Principal – cum – Director, APS) Mr. Hemant Kumar Sharma and (Vice Principal, APS) Dr. Renu Patidar extended their congratulations to Ms. Sampoorna for her musical triumph, and acknowledged the significant contribution of the music teachers, Mr. Parag Sompura and Mr. Durgesh Mali.
