GLAM-TASTIC NEWS

Welcome
Wave

*A warm welcome
to the new session
2025-26!*

*Celebrating the
start of a new
academic year!*

Welcome Wave

"Every child is a unique flower, and we're here to nurture their growth."

Bubbly Nursery

Welcome Week Activity

Dabber Painting

Our curious Nursery students were engaged in 'Dabber Painting' which was a fun and creative art activity where fruits and vegetables were used as dabbers to create unique patterns and textures with paint. It was a great activity for kids, helping them explore their creativity while also learning about different fruits and vegetables.

"Dab, dab, delight!"

Bubbly Nursery

Welcome Week Activity

Solving Puzzles

Our little ones were very excited while they were doing this activity. Solving puzzles was a great way to boost brain power, improve problem-solving skills, and have fun. Arranging pieces to complete a picture was great for improving patience and attention to detail.

We're creating a world of wonder and discovery!

Bubbly Nursery

Welcome Week Activity

Beanbag Balancing Game

Our enthusiastic nursery students participated in a fun and engaging Bean Bag Balancing Activity. This activity helped them develop balance, coordination, and focus as they carefully balanced the bean bag on their heads while walking. It was a joyful learning experience, promoting physical development and concentration in a playful way. Their bright smiles and enthusiasm made the activity even more exciting.

*Play, learn,
and grow*

Bubbly Nursery

Welcome Week Activity

Colouring Fun

The Nursery students had a delightful time colouring emoji faces with bright yellow crayons. With their tiny hands and big smiles, they brought the emojis to life, filling the classroom with joy and laughter. It was heartwarming to see their creativity shine as they happily engaged in the fun and expressive activity.

Bubbly Nursery

Welcome Week Activity

Palm Painting

In the first week of school, nursery students enjoyed palm painting. They dipped their hands in colorful paint and made lovely handprints. It was a fun and joyful activity for everyone.

"Get creative, get messy, get colourful!"

Bubbly Nursery

Welcome Week Activity

Baby Daisy Block Box

The Bornelund Baby Daisy Block Box was a colourful and engaging toy designed for toddlers. It helped develop fine motor skills, hand-eye coordination, and problem-solving abilities through shape sorting and stacking activities.

"Little hands, big imagination!"

Bubbly Nursery

Welcome Week Activity

Threading Beads

Threading beads is a fun and creative activity for kids that helps improve fine motor skills and hand-eye coordination. Our little learners showed interest to create many kinds of patterns with the colourful beads. They created a colourful necklace and enjoyed the activity.

First Day Of the school

The first day of school was filled with excitement and a bit of nervousness! Kids met new classmates, explored the classroom and got to know their teacher. It was a day full of introductions and setting the stage for a year of learning and new experiences.

"Get ready for a year of learning, laughter, and fun!"

Jovial Jr. KG

First Day Of School

"Our pre-primary school is where imagination knows no bounds!"

GLIMPSES OF THE WEEK

Build Home

Get ready to build a house. This activity helps children to improve both fine and gross motor skills and participate in collaborative conversations with peers and adults in small and larger groups.

*"Stack, nest,
and build
with glee!"*

Jovial Jr. KG

GLIMPSES OF THE WEEK

Tea Party with friends

Get ready for a tea party. This activity helps children to improve both fine and gross motor skills, participate in collaborative conversations with peers, as activity like pouring, serving and holding objects require precise hand movements and coordination.

"Let's play tea party and make some new friends!"

Jovial Jr. KG

GLIMPSES OF THE WEEK

Introduction about ourselves

Our Jr. KG students are getting ready to introduce themselves in a fun and interactive way! This activity aims to help them build confidence, develop social skills, and make new friends.

GLIMPSES OF THE WEEK

School Tour

Our Jr. KG students recently embarked on an exciting school tour, exploring various parts of our school. They met important school personnel and discovered new places.

*Students
visited the
principal's
office*

*"I met the
Vice-principal
and learned
about her job"*

Jovial Jr. KG

GLIMPSES OF THE WEEK

School Tour

Students had a blast exploring our school (Labs, Art room, Music room, Infirmary, Admin Office) and learning about different aspects of school life.

GLIMPSES OF THE WEEK

Nature walk

This week, our kids went on a nature walk, which proved to be a fantastic activity that they thoroughly enjoyed. The experience not only allowed them to connect with the outdoors but also encouraged exploration, curiosity, and a sense of adventure. It's wonderful to see them benefit from such engaging and educational experiences!"

"Learning is an adventure, and we're thrilled to be a part of it."

Dazzling Sr. KG

GLIMPSES OF THE WEEK

Shape Sorting

This week, our kids had a great time sorting different shapes! This engaging activity helped them develop their problem-solving skills, hand-eye coordination, and spatial awareness. By categorizing shapes into various groups, they learned to recognize patterns, compare similarities and differences, and build a strong foundation in math and geometry.
