“Sports Day : Play is the highest form of research!”

Sports for pre-primary students is all about fun, participation, and fostering a love for physical activity. Our tiny athletes from the Pre-Primary section came together to participate in the Tiny Tots Olympic- A Sports Day, showcasing their energy, enthusiasm, and teamwork. The event was a huge success, with students, parents, and teachers cheering on the little champions.

Highlights:

- The ceremony was declared ‘Open’ by Principal Sir which was followed by the Welcome Dance and cheers by the Jr K.G. students.
- The events were designed to promote physical activity, coordination, and teamwork among the tiny tots.
- A kaleidoscope of games and a rhythmic musical drill display painted a vibrant picture of the students' talent and enthusiasm.
- The emphasis was on enjoyment and participation, rather than winning.
- Parents and teachers actively participated in the events, cheering on the students and providing support.

Principal's Message:
