

## Immersive Development Program

June 2, 2025 to June 6, 2025

**“The right question is usually more important than the right answer.”**

Trainings are always better opportunities for teachers to refine their skills and contribute towards the development of the school. Adani Foundation organized a Master Training Program for teachers on the topic of ‘Principles of Question Making’ and ‘Differentiated Education’. It was conducted under the guidance of CAO of Adani Foundation Dr. Kavita Nagpal.

11 schools of Adani from different states became part of this training program. The program brought together a group of around 45 trainees, alongside a contingent of school principals representing various institutions. A group of 12 teachers from APS, Mundra also joined the program, further diversifying the participant pool. The training program was bifurcated into two distinct modules: a two-day segment focused on the art of crafting effective questions, and a three - day component dedicated to exploring the principles of differentiated education.

The teachers who attended the training session from APS are:

1. Mr. Muktinath Singh.
2. Mr. Vinayak
3. Mr. Mohan V
4. Mr. Anwar H
5. Ms. Devinder K
6. Ms. Sneha K
