

SGFI District Level Badminton Tournament

August 2, 2025

The School Games Federation of India (SGFI) organizes athletic meets for school students across various age groups at district, state, and national levels. These events are crucial for identifying talent and promoting sports among young individuals.

Students of APSM participated in SGFI District level Badminton Tournament (Under 17 Boys and Girls). It was held on August 2, 2025 at KDTTA Hall in Gandhidham. They were accompanied by their sports teacher Ms. Krutva Mankad. We're immensely proud to announce our students' outstanding achievements! They've secured various top positions, bringing immense pride to our school. It is a moment of thrill to announce that these students have secured 3rd position. They will represent the school at the State level.
