

Poet's Day August 21, 2025

August 21st is widely celebrated as Poet's Day. It's a day dedicated to honoring the art of poetry and the people who create it. Students of class VI celebrated Poet's Day on August 21, 2025 in the morning assembly.

The emphasis was clear that the words speak the heart's desire through poetry. Languages like Gujarati, Hindi and English had exceptional poets. And their works were loved by the masses. The assembly showcased and highlighted various genres and poets.

The event had brief information about famous poets from different eras and well-prepared Declamation pieces were recited by students confidently. They even dressed like great poets and writers including Shantilal Shah, Sohanlal Dwivedi, Mirabai, Sarojini Naidu, Emily Dickinson, Jane Taylor and William Shakespeare. It was a rhythmic delight to watch them all.

(Principal – cum – Director, APSM) Mr. Hemant Kumar Sharma and (Vice Principal, APSM) praised the dedication and efforts of both the students and their teacher, Ms. Sejal Singh. They encouraged the students to maintain the same level of confidence and enthusiasm in their future endeavors.
